Zia Island Of The Blue Dolphins 2 Scott Odell:

Island of the Blue Dolphins Scott O'Dell, Sara L. Schwebel, 2016-10-04 This is the first authoritative edition of one of the most significant children's books of the twentieth century Winner of the 1961 Newbery Medal *Island of the Blue Dolphins* tells the story of a girl left alone for eighteen years in the aftermath of violent encounters with Europeans on her home island off the coast of Southern California This special edition includes two excised chapters published here for the first time as well as a critical introduction and essays that offer new background on the archaeological, legal and colonial histories of Native peoples in California Sara L. Schwebel explores the composition history and editorial decisions made by author Scott O'Dell that ensured the success of *Island of the Blue Dolphins* at a time when second wave feminism, the civil rights movement and multicultural education increasingly influenced which books were taught This edition also considers how readers might approach the book today when new archaeological evidence is emerging about the Lone Woman of San Nicolas Island on whom O'Dell's story is based and Native peoples are engaged in the reclamation of indigenous histories and ongoing struggles for political sovereignty

Zia Scott O'Dell, 1995-01-01 A young Indian girl Zia caught between the traditional world of her mother and the present world of the Mission is helped by her aunt Karana whose story was told in the *Island of the Blue Dolphins*

Zia Scott O'Dell, 2011-01-03 In this sequel to the beloved Newbery Medal winning classic *Island of the Blue Dolphins* readers can learn what happened to Karana after she left the island For years Zia has dreamt of going to the *Island of the Blue Dolphins* to find her aunt Karana her dead mother's sister who was left alone on the island nearly twenty years earlier It's the reason Zia came to the Santa Barbara Mission in the first place The reason she braves the treacherous ocean waters again and again to rescue Karana But every time she tries she fails Finally Zia's aunt is brought to her Finally her greatest dream has come true But sometimes the reality is not nearly as sweet as the dream Zia tells those facts so far as they are known from the point of view of a girl who has her own story to tell Like *Island of the Blue Dolphins* Scott O'Dell's *Zia* is a gripping tale of survival, strength and courage
