Zimsec A Level History Paper1 Question Paper November 2014

Peter Thomas, Ngonidzashe Marongwe

Zimsec A Level History Paper1 Question Paper November 2014:

New Millennium Woes and Livelihood Struggles in Africa Peter Thomas, Ngonidzashe Marongwe, 2021-05-19 One of the oldest survival pursuits undertaken by the weak and the downtrodden people across the world has been begging. Going back to the ancient Christian biblical times up to the present epoch as well as across varying spatial settings in situations of trouble and tribulations, parts of various communities have resorted to beggary to either overcome immediate adversities or longer term calamities. Drawing on insights from two polar theoretical lenses of Social Constructionism and Social Deconstructionism and guided by a pithy study of the begging across the African continent especially by Zimbabweans, this book troubles the various contours related to the subject of begging. Inter alia, the book considers the concept of begging, the causes of the prevalence of begging across the world and particularly among Zimbabweans, the challenges and benefits associated with the pursuit of alms, the impact of begging in foreign lands as well as some of the strategies that beggars employ to maximize their collections and/or profits. What can be discerned from the book is that for many, begging is one of the last resort undertakings with low pickings. However, from a utilitarian perspective, begging has helped to sustain the impoverished livelihoods of Zimbabweans both inside and outside the borders of the country since the advent of a debilitating crisis experienced from the turn of the new millennium. On the whole, this book seeks to provoke further researches on an important socio-economic area that affects many African communities but has so far been scantily researched. The book is handy for students and practitioners in economic history, African studies, economics, risk and disaster management, social anthropology, political science and development studies. *Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)* Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims, activities and events. **When Political Transitions Work** Fanie du Toit, 2018-07-27 In *When Political Transitions Work*, Fanie du Toit develops a coherent and versatile theory of reconciliation as interdependence based on the assumption that a state's success is inextricably linked to their enemies and a policy of mutual well-being is the surest and shortest path to prosperity and peace for both. **The Parliamentary Debates (Hansard)**. Great Britain. Parliament. House of Lords, 2013. **History A-Level (ZIMSEC) Past Exam Questions and Model Answers** David Chitate, 2024-06-06 This book contains the most comprehensive question bank and model answers for ZIMSEC A Level History exam questions.
