Sustainable Development in Africa Walter Leal Filho,Rudi Pretorius,Luiza Olim de Sousa,2021-07-09 This book serves the purpose of documenting and promoting African experiences on sustainable development which encompasses both formal and non formal education Sustainable development is very important to Africa but there is a paucity of publication which documents and promotes experiences from African countries Due to their complexity the interrelations between social economic and political factors related to sustainable development especially at universities need to be better understood There is also a real need to showcase successful examples of how African institutions are handling their sustainability challenges It is against this background that this book has been produced It is a truly interdisciplinary publication useful to scholars social movements practitioners and members of governmental agencies and private companies undertaking research and or executing projects focusing on sustainability from across Africa As African nations strive to pursue the UN Sustainable Development Goals it is imperative to cater for the information needs seen across the continent and foster the dissemination of experiences and case studies which may support both on going and future efforts The scope of the book is deliberately kept wide and we are looking for contributions across the spectrum of sustainable development from business and economics to arts and fashion administration environment languages and media studies Intellectual Property Policy, Law and Administration in Africa Caroline B. Ncube,2015-10-16 This book examines the harmonisation of Intellectual Property IP policy law and administration in Africa Two recent developments have brought this topic to the fore The first is

the escalation of long standing efforts to establish a Pan African Intellectual Property Organisation PAIPO a continental initiative The second is the current sub regional attempt to operationalise the IP provisions of the Southern African Development Community SADC s Protocol on Trade articles 9b and 24 and its Protocol on Science Technology and Innovation article 2m Intellectual Property Policy Law and Administration in Africa discusses the viability of such initiatives with particular reference to the current socio economic status of Africa s nations With a view to contributing to future developments in Africa at both a continental and sub regional level the author considers this issue through the lens of advancing the public interest in IP Ncube argues that harmonisation initiatives ought to be crafted in a way that is supportive of the development aspirations of African states Consequently she urges due consideration of individual states unique conditions and aspirations in any harmonisation venture a necessity outlined in article 7 of the Agreement on Trade Related Aspects of Intellectual Property Rights This book will be of great relevance to scholars and policy makers with an interest in IP law and African law in general **Lion Hearted** Andrew Loveridge,2018-04-10 Until the lion has its own storyteller tales of the lion hunt will always glorify the hunter Zimbabwean proverb In 2015 an American hunter named Walter Palmer shot and killed a lion named Cecil The lion was one of dozens slain each year in Zimbabwe which legally licenses the hunting of big cats But Cecil s death sparked unprecedented global outrage igniting thousands of media reports about the peculiar circumstances surrounding this hunt At the center of the controversy was Dr Andrew Loveridge the zoologist who had studied Cecil for eight years In Lion Hearted Loveridge pieces together for the first time the fascinating life and murky details of this beloved lion s slaying In the tradition of Born Free and Gorillas in the Mist Lion Hearted chronicles Loveridge s long acquaintance with a host of charismatic lions that his team has tracked often from birth to death Born and raised in Zimbabwe Loveridge learned to love predators at the knee of his father an eminent herpetologist who stored baby crocodiles in the family bathtub After earning his doctorate at Oxford he seized an invitation to study the lions of Zimbabwe s Hwange National Park There he meets Stumpy Tail who despite her name has the dignity of the Queen of the Animal Kingdom Dynamite a venerable coalition leader who muscled out by younger males sets off on an incredible thirty seven day 137 mile journey to find a new home and Kataza who escapes another lion s claws and whom Loveridge twice saves from death at the hands of humans And of course there is Cecil Dethroned in an epic battle he forms an alliance with a former rival He also becomes a favorite of photographers and tourists until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world Despite their ruthless reputation lions can form deep emotional bonds females live in prides a sisterhood of mothers daughters sisters and aunts that can exhibit military precision when hunting in formation males band together in coalitions to vie for control of territory and the female prides They also display a wide range of emotional behavior including mourning the loss of their mates partners and cubs Africa s lion population is

estimated to have shrunk by 43 percent in the last twenty years There may now be as few as 20 000 wild lions across the entire continent far fewer than the number of elephants While deploring the killing of lions for sport Loveridge does not believe that banning trophy hunting by itself will halt the decline of Africa s lion populations He sees greater threats in human population growth the loss of habitat to agriculture and the illegal trade in lion body parts for use in traditional medicines And he offers concrete proposals for averting the lion s extinction More than a gripping detective story Lion Hearted is an exploration of humanity s relationship with the natural world and an attempt to keep this majestic species from disappearing Lions are one of the most beloved animals on the planet Loveridge observes They are the national symbol of no fewer than fifteen countries Surely we can think of a better way to save the wild animals we love besides killing them

Military Review ,2016 **Migration, Borders, and Borderlands** John Aerni-Flessner,Grey Magaiza,Munyaradzi Mushonga,Chitja Twala,2023-10-24 Compiling various perspectives from borderlands across the SADC region Migration Borders and Borderlands Making National Identity in Southern African Communities edited by Munyaradzi Mushonga John Aerni Flessner Chitja Twala and Grey Magaiza provides a synthesis of the experiences of borderland residents in this economically and socially integrated region This book reframes debates around nationalism and belonging in southern Africa as it uses the idea of a borderscape to argue that nations are made at the border and in the contestations that take place in the borderlands Understanding borders and bordering in the SADC region is crucial to understanding how policies made in oft distant national capitals have played out among borderlands residents over time The contributors present why national citizens in SADC so often end up in countries distant from where they were born and reside and why leaders need to be cognizant of this Exploring gender history policy and the ways that people have moved across borders despite a myriad of restrictions stretching from the early twentieth century to the present this collection centers the voices and experiences of the most marginal to make the plea for a more humane border regime in Southern Africa and globally *SADC Gender Protocol 2015 Barometer* Lowe Morna,Sifiso Dube,2015-12-20 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015

2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 *Diplomatic Methods* R.P.
