The Dilemma of Coalition Instability in Consensual Nonmonogamy James K. Beggan, 2020-11-18 Different forms of consensual nonmonogamy such as polyamory and swinging have achieved greater prominence in daily conversation and representation in mass media Although advocates recognize that the presence of additional people creates difficulties the author argues that this greater complexity may lead to unavoidable instability Drawing from classic work by Georg Simmel as well as modern research in the social sciences James K Beggan considers how the presence of a third person is what allows the formation of coalitions which then become part of the process that can break apart the triad This paradox explained with reference to game theory and social interdependence represents the existential threat to the quest for consensual nonmonogamy Beggan describes how psychological processes involving social comparison and gender and sexual orientation can limit the formation of certain types of coalitions which in turn influence which relationships can be expected to emerge in the context of consensual nonmonogamy His analysis includes macro level social issues related to establishing consensual nonmonogamy as a valid social identity and alternative to conventional marriage Using insights from game theory he suggests possible meta solutions to coalition conflicts that emerge in triadic romantic and sexual relationships

Home Life in Colonial Days Alice Morse Earle, 2019-11-22 Alice Morse

Earle's *Home Life in Colonial Days* serves as a rich tapestry that intricately weaves together the daily experiences and domestic practices of American life from the 1600s to the mid 1700s. Employing a vivid and engaging narrative style, Earle meticulously captures the minutiae of household routines, social customs, and the material culture emblematic of colonial America. Enhanced by her extensive research and the inclusion of period illustrations, the book transcends mere historical documentation, providing a vibrant portrayal of early American society within its broader literary context of cultural nostalgia and revivalism prevalent during the turn of the 20th century. Earle, a notable American historian and early feminist, was influenced by her passion for genealogy and a keen interest in the American past. Her numerous works focus on domestic history, emphasizing the roles of women in shaping the home and family life, making her uniquely qualified to explore the intricacies of colonial living. Earle's own experiences and her desire to uncover the lives of early Americans led her to write this seminal text that has informed studies in both domestic and social history, thus enriching our understanding of the period. This insightful volume is essential for scholars of early American history, cultural studies enthusiasts, and anyone with a penchant for history's intimate details. Earle's detailed observations provide a compelling picture of colonial life that resonates with contemporary discussions of domesticity, making it a timeless read for those who wish to delve into the roots of American society. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. A detailed Historical Context immerses you in the era's events and influences that shaped the writing. A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

The Door Swings Both Ways Pico Iyer, 2016-01-26. A Vintage Shorts Travel Selection. Welcome to China in 1985 to a nation that has just begun to swing open for the West and specifically for a young Time magazine journalist named Pico Iyer. From the beloved set of travel essays *Video Night in Kathmandu*, this is his dispatch. From Beijing to Chengdu to Guangzhou, Iyer crisscrosses the country, making friends, gathering impressions, and always getting to the train station early, very early. Along the way, he encounters a China eager to take in Western goods but not always Western values, and a Great Wall established to keep the world out that's now being used to draw it in. Neither Easterner nor Westerner knows where to turn. With frank curiosity and prophetic clarity, Iyer's travel essays have become the gold standard for the genre. Here, he gives us a time capsule of an ambiguous and fast
