**Swirl: Chasing Thrills (Book 1) (BWWM Interracial Romance)** Lexi Lewis, 2015-05-05 Reese Abbot and Evelyn Cooper lead very different lives. One of them is an up and comer in the extreme sports world making a name for himself in competitions that test skill and nerve. The other is a nurse struggling to balance work, raising her kid brother, and keeping the bills paid on time. When an accident during a competition throws these two into the same hospital room, sparks fly, and neither of them are interested in ignoring the fact that they're drawn to each other. But with their vastly different lifestyles and the fact that there may be someone with a dangerous grudge against Reese, sparks might not be enough to keep them together.

**Swirl: Taking Spills (Book 2) (BWWM Interracial Romance)** Lexi Lewis, 2015-05-04 Healing and moving on are the two things first and foremost on Reese Abbot's mind in the weeks following his injury. He wants to survive living with his parents and their insistence that he pursue a safer career path, figure out how to climb back to the top of the extreme sports ladder once he's all healed, and get closer to Eve, who he can't keep his mind off of while he's at it. Lofty goals, but some of them seem to be easier than others, as Eve and Reese spend more time together. Things aren't easy for her either, though, with the threat of her father's return hanging over her head, and when her brother starts getting in trouble at school for things he can't help, she turns to Reese for comfort and a listening ear. But it won't be quiet and easy for long, and whoever wants Reese out of the competition is still out there, and perhaps closer than anyone expects.

**Swirl : Uphill Climb (Book 3)** Lexi Lewis, 2015-05-04 In the thrilling conclusion to the Swirl series, nothing will be easy. Hard decisions must be made, loose ends tied up, connections and bonds tested. Eve, who has always been so sure of the way she's raising her brother, and the decisions she's made regarding her father, will have to face the startling option that things might not have been as clear as she'd remembered them. Her own grudges and experiences might just have to take a back seat to the needs of her brother. Meanwhile, Reese is struggling to come to terms with the fact that someone he placed his trust in implicitly hasn't been honest with him. The pieces of the puzzle start to fit themselves together, creating a clear picture of what has happened, to result in his injuries, and he quickly lets his meet-everything-headfirst nature land him in over his head. There's plenty to be resolved, and both Eve and Reese will find themselves in places they'd never dreamed they'd be. **A Fallen Star - FREE**
