Sword Of Damascus Recipe:

The Sword of Damascus (Death of Rome Saga Book Four) Richard Blake,2011-06-09 The fourth book of the DEATH OF ROME SAGA is a must read for those who loved the heroism of Gladiator and Spartacus 687 AD Expansive and triumphant the Caliphate has stripped Egypt and Syria from the Byzantine Empire Farther and farther back the formerly hegemonic Empire has been pushed once to the very walls of its capital Constantinople But what is all this to old Aelric now in his nineties and a refugee from the Empire he s spent his life holding together No longer the Lord Senator Alaric Brother Aelric is writing his memoirs in the remote wastes of northern England and waiting patiently for death Then a band of northern barbarians turn up outside the monastery and then another Before he can draw another breath Aelric is a prisoner of unknown forces and headed straight back into the snake pit of Mediterranean hatreds What awaits him at the end of his long and dangerous journey is a confrontation that decides the fate of all mankind

The Sword and the Crucible Alan Williams,2012-05-03 The sword was the most important of weapons the symbol of the warrior not to mention the badge of a officer and a gentleman Much has been written about the artistic and historical significance of the sword but outside specialised publications relatively little about its metallurgy and that often confined to a particular group This book aims to tell the story of the making of iron and steel swords from the first Celtic examples through the Middle Ages to the Early Modern period The results of the microscopic examination of over a hundred swords by the author and other archaeometallurgists are given and explained in terms of the materials available in Europe

Making India Great Again Meeta Rajivlochan,M. Rajivlochan,2020-09-30 How can India become a great country once again is the question explored in this book In the past India had significant achievements in science technology mathematics and business A failure to build robust institutional networks of information and trust and indifference of the state to business communities brought all that crashing down within a generation Many of these historical patterns persist till today The ability to create wealth has everything to do with such networks There was never any shortage of innovation in India What was lacking was the ability to learn from their own experience The building of learning networks and a learning ecosystem that could be used by people to leverage success this is what is needed to unlock the huge talent pool that India possesses

This book addresses young educated and aspiring Indians in different walks of life who are interested in contemporary issues relating to nation society and economy It puts forward some solutions to the problems that India faces It would be of interest to anyone who would like to know how history can teach us to re write the Indian growth story and to re build a great nation The book could also be used as reading material for students of history political science public administration business administration in under graduate and post graduate classes Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
