The Cameroon GCE Crisis: A Test of Anglophone Solidarity B Nyamnhoh, Fonteh Akum, 2008-03-15 This book richly documents the battles fought by the Anglophone community in Cameroon to safeguard the General Certificate of Education GCE a symbol of their cherished colonial heritage from Britain from attempts by agents of the Ministry of National Education to subvert it These battles opposed a mobilised and determined Anglophone civil society against numerous machinations by successive Francophone dominated governments to destroy their much prided educational system in the name of national integration When Southern Cameroonians re united with La R publique du Cameroun in 1961 they claimed that they were bringing into the union a fine education system from which their Francophone compatriots could borrow Instead they found themselves battling for decades to save their way of life Central to their concerns and survival as a community is an urgent need for cultural recognition and representation of which an educational system free of corruption and trivialisation through politicisation is a key component

The Grammar Problem in Higher Education in Cameroon Miriam Ayafor, 2015-06-18 This book describes the English grammar weaknesses manifested in the written work of young Cameroonians in tertiary education It identifies the areas where the problems are most acute seeks the reasons for such low grammar competences and suggests possible solutions to the problems The Error Analysis Approach suggested by authors like S P Corder and J C Richards was used to carry out the study The book will be of interest to all L2 learners and teachers of English to language policy makers of L2 English and to all those who wish to see that Standard British English is preserved to a greater extent in English speaking places outside Britain despite the on going indigenisation of this global language
