The EBay Price Guide Julia L. Wilkinson, 2006 Provides lists of selling prices of items found on eBay in such categories as antiques boats books cameras coins collectibles dolls DVDs real estate stamps tickets and video games *Manual of In-house Training* Joel F. Henning, Mitch Pacelle, 1982 **A Practical Guide to Price Index and Hedonic Techniques** Ana M. Aizcorbe, 2014-06-12 This book provides an accessible guide to price index and hedonic techniques with a focus on how to best apply these techniques and interpret the resulting measures One goal of this book is to provide first hand experience at constructing these measures with guidance on practical issues such as what the ideal data would look like and how best to construct these measures when the data are less than ideal A related objective is to fill the wide gulf between the necessarily simplistic elementary treatments in textbooks and the very complex discussions found in the theoretical and empirical measurement literature Here the theoretical results are summarized in an intuitive way and their numerical importance is illustrated using data and results from existing studies Finally while the aim of much of the existing literature is to better understand official price indexes like the Consumer Price Index the emphasis here is more practical to provide the needed tools for individuals to apply these techniques on their own As new datasets become increasingly accessible tools like these will be needed to obtain summary price measures Indeed these techniques have been applied for years in antitrust cases that involve pricing where economic experts typically have access to large granular datasets *Handbook on Hedonic Indexes and Quality Adjustments in Price Indexes* Jack E. Triplett, 2006-10-05 This handbook compares and contrasts two methods employed in price indexes to adjust for quality change conventional quality adjustment methods and hedonic price indexes The latter are often used in price indexes for information and communication technology ICT products in several OECD countries as well as for measuring prices for some other goods and services notably housing The handbook aims to contribute to a better understanding of the merits and shortcomings of these methods and to provide an analytic basis for choosing among them *TCI*, 1997 **Educational Technology**, 1984 *Weekly Television Digest with Consumer Electronics*, 1981 The authoritative service for broadcasting consumer electronics allied fields **Encyclopedia of American Opera** Ken Wlaschin, 2024-10-16 This encyclopedia lists describes and cross references everything to do with American opera works both operas and operettas composers librettists singers and source authors along with relevant recordings The approximately 1 750 entries range from ballad operas and composers of the 18th century to modern minimalists and video opera artists Each opera entry consists of plot history premiere and cast followed by a chronological listing of recordings movies and videos **Consumer Price Index Revision Reference Checklists**, 1996 **Educational and Industrial Television**, 1979 *Popular Photography*, 1991-01 **Popular Photography**, 1992-10 *Popular Photography*, 1990-08 *Popular Photography*, 1991-01 **Popular Photography**, 1991-01 *Popular Photography*, 1991-01 **Government Reports Announcements & Index**, 1996 *Popular Photography*, 1993 *Modern*
