Kanyenze: Zimbabwe: The Link Between Politics and ,2023-03-20 In this accessible and authoritative book Godfrey Kanyenze provides a comprehensive and far reaching analysis of the socio economic development in Zimbabwe in light of the expanding authoritarianism and the ongoing destruction of democratic institutions during the four decades after independence Kanyenze describes the various phases of the socio economic development starting with 1980 when the people of Zimbabwe saw their hard won independence and new democracy as a promise for a **The History and Political**

Transition of Zimbabwe Sabelo J. Ndlovu-Gatsheni,Pedzisai Ruhanya,2020-10-21 This book is the first to tackle the difficult and complex politics of transition in Zimbabwe with deep historical analysis Its focus is on a very problematic political culture that is proving very hard to transcend At the center of this culture is an unstable but resilient nationalist military alliance crafted during the anti colonial liberation struggle in the 1970s Inevitably violence misogyny and masculinity are constitutive of the political culture Economically speaking the culture is that of a bureaucratic parasitic primitive accumulation and corruption which include invasion and emptying of state coffers by a self styled Chimurenga aristocracy However this Chimurenga aristocracy is not cohesive as the politics that led to Robert Mugabe s ousting from power was preceded by dirty and protracted internal factionalism At the center of the factional politics was the first family Robert Mugabe and his wife Grace Mugabe This book offers a multidisciplinary examination of the complex contemporary politics in Zimbabwe taking seriously such issues as gender misogyny militarism violence media identity modes of accumulation the ethnicization of politics attempts to open lines of credit and FDI national healing and the national question as key variables not only of a complete political culture but also of difficult transitional politics **Healthcare Policy and Reform:**

natural ecological social and economic sciences It emphasizes how efforts in adaptation and in reducing greenhouse gas emissions can come together in a process called climate resilient development which enables a liveable future for biodiversity and humankind The IPCC is the leading body for assessing climate change science IPCC reports are produced in comprehensive objective and transparent ways ensuring they reflect the full range of views in the scientific literature Novel elements include focused topical assessments and an atlas presenting observed climate change impacts and future risks from global to regional scales Available as Open Access on Cambridge Core

Marginality, Migration and Education

Winniefridah Matsa,2020-12-21 This book provides a missing link between marginality migration and education in Zimbabwe focusing on the educational experiences of migrants children in an effort to influence government policies concerning migrant parents and their left behind children While there is a large body of knowledge on the education of children of immigrants in destination countries this book aims to fill in the gap by addressing the children who do not migrate with their parents Through this unique approach the book examines the education statuses of these left behind children offering insights into their educational challenges rights and inequities to better inform policy decisions to meet the 2030 education agenda for action established by the United Nations in 2015 The book will of interest and use to governments NGOs teachers and local communities in Africa as a resource to better understand the situation of migrants left behind children as a category of vulnerable children in difficult circumstances

eBook: Economics 20th Edition MCCONNELL,2017-02-15

eBook Economics 20th Edition **Making Politics in Zimbabwe's Second Republic** Gorden Moyo,Kirk

Helliker,2023-05-16 The book provides a fresh and innovative interpretation of the new government of Zimbabwe led by Emmerson Mnangagwa which emerged in late 2017 after the downfall of Robert Mugabe It demonstrates the contradictory character of the Mnangagwa government involving both continuities and discontinuities in relation to Mugabe s regime The temptation amongst Zimbabwean scholars has been to focus on the continuities and to dismiss the significance of any discontinuities notably reform measures This book adopts an alternative approach by identifying and focusing specifically on the existence of a formative project of the Mnangagwa s Second Republic further analysing its political significance as well as risks and limitations While doing so the book covers topics such as reform measures reconciliation transitional justice corruption the media agriculture devolution and the debt crisis as well as health and education Discussing the limitations of these different reform measures the book highlights that any scholarly failure to identify the risks of the project leads to an incomplete understanding of what constitutes the Mnangagwa s Second Republic The book appeals to students scholars and researchers of Zimbabwean and African studies political science and international relations as well as policymakers interested in a better understanding of political reform processes

Urban Water Governance in Postcolonial Zimbabwe Abraham R. Matamanda,Tazviona R. Gambe,Johannes I. Bhanye,Tafadzwa C. Maramura,Oratilwe Annastacia Khoza,2025-09-04 This book focuses on urban water supply and governance in the Global South using urban Zimbabwe as a case study to provide insights and perspectives into the realities of the water governance Applying a resilience and sustainability perspective we argue that fragmentation of responsibilities between various institutions the difficulty of coordination at various levels and the politics centered on water supply constrain effective water governance in Zimbabwe This has resulted in a downward spiral in urban water services in Zimbabwe s urban centers Additionally the innovative nature of this study is to draw from an often neglected dimension in urban water governance which is the political ecology which brings into perspective the varying interests associated with environmental contests and conflicts that influence water allocation and sharing among urban areas by the public sector Therefore this book dwells on understanding the politics economic and ecology of water governance through an interdisciplinary lens This analysis is critical for this study because Zimbabwe s current state of obsolete water infrastructure has also had a negative impact on the supply of high quality portable water services to the public in urban areas This book will be a critical read for academic and professionals in the fields of urban geographers planners sociologists and water experts It will also be useful for undergraduate and postgraduate students from Geography Urban and regional Planning Political Science Development Studies and Economics

Gendered Spaces, Religion and Migration in Zimbabwe Ezra Chitando,Sophia Chirongoma,Molly Manyonganise,2022-10-12 This book explores the intersections of gender religion and migration within the context of post independent Zimbabwe with a specific focus on how gender disparities impact economic development By demonstrating how these interconnections impact women s and girls lived realities the book addresses the need for gender equity gender inclusion and gender mainstreaming in both religious and societal institutions This book assesses the gender and migration nexus in Zimbabwe and examines the impact of religious cultural ideologies on the status of women In doing so it assesses the transition of Zimbabwean women across spaces and provides insights into the practical strategies that can be utilised to improve their status both at home and on the move Furthermore chapters show how space continues to be genderised in ways that perpetuate structural inequality to challenge the exclusion of women from key social processes Contributing to ongoing scholarly debates on gender in Africa this book will be of interest to academics and students of Gender Studies Women s Studies African Studies Development Studies as well as advocates of human rights and

gender activists **Zimbabwe** International Monetary Fund. African Dept.,2016-05-04 This paper discusses recent developments outlook and risks related to the economy of Zimbabwe Zimbabwe s economic difficulties have deepened GDP growth slowed significantly to 1.1 percent in 2015 mainly because of the impact of adverse weather conditions on agricultural output and power generation The current account balance improved in 2015 because of lower prices for oil imports subdued economic activity and fiscal consolidation efforts Fiscal performance in 2015 was better than programmed despite the adverse macroeconomic environment Despite spending pressures to mitigate the impact of the drought the authorities remain committed to fiscal discipline they target a primary cash deficit of 0.2 percent of GDP for 2016
