Charging the battery

- 
1. Plug the small end of the charger into the multipurpose jack of the device, and plug the large end of the charger into an electric socket.
2. After fully charging, disconnect the device from the charger first, and then disconnect the charger from the electric socket.
- Use only Samsung-approved chargers, batteries, and cables. Unauthorized chargers or cables can cause the battery to explode or damage the device.
 - Do not remove the battery before removing the charger. This may damage the device.
- To save energy, unplug the charger when not in use. The charger does not have a power switch, so you must unplug the charger from the electric socket when not in use to avoid wasting power. The device should not be used in the electric socket while charging.
