work-integrated learning excursions Adri Du Toit, Neal Petersen, Iman C. Chahine, 2025-02-28 In South Africa work integrated learning WIL excursions are crucial in preparing university students for the world of work As higher education institutions HEIs evolve to promote equity and inclusivity these excursions are continuously refined to enhance student learning outcomes This scholarly book explores how WIL excursions support self directed learning SDL and foster skills essential for the 21st century such as active learning intercultural sensitivity and epistemological access A key focus is on the 2023 WIL excursions at North West University NWU which align with South Africa's National Development Plan 2030 and the University Capacity Development Grant's UCDG goal of equipping graduates to address contemporary societal challenges The book examines first year excursions across three faculties Education Health Sciences and Law using both virtual and in person experiences to develop intercultural citizenship communication and a sense of belonging Through research based insights the chapters highlight how these excursions were designed and implemented to help students recognise personal biases deepen cultural awareness and take responsibility for their own learning Additionally the book underscores how students were encouraged to identify their learning needs and access resources that promote ongoing self directed growth By linking WIL to SDL the book provides novel perspectives on fostering inclusivity and preparing students for their academic journeys professional careers and contributions to a more socially just world

Africa and Globalization

Kelebogile T. Setiloane, Abdul Karim Bangura, 2020-10-24 This edited volume examines the challenges of globalization in light of the need to revisit and reconceptualize the notion of Pan Africanism The first part of the book examines globalization and Africa's socioeconomic and political development in this century by using the Diopian Pluridisciplinary Methodology This approach is imperative because the challenges faced by Africa vis vis globalization and socioeconomic development are so multiplexed that no single disciplinary approach can adequately analyze them and yield substantive policy recommendations

The chapters in the second part analyze the imperatives for Africa's global knowledge production development and economic transformation in the face of the pressures of globalization. Part two demonstrates an urgent need for Africa's significant participation in the global knowledge economy in order to meet the continent's modern transformation and development aspirations. The final part examines lessons from old and new Pan Africanism and how they can be utilized to deal with the challenges emanating from the forces of modern globalization. With its multidisciplinary approach to a wide range of pressing modern issues for the African continent, this book is essential reading for scholars across the social sciences interested in where Africa is now and where it should go in this increasingly globalized world.

Tourism Safety, Security and Resilience Rami K. Isaac, Shem Wambugu Maingi, Vanessa GB Gowresunkaar, 2024-11-18. This significant volume critically explores the implications of tourism safety and security and how communities in tourism destinations try to be resilient in the face of these impacts. Written by leading scholars, this book offers new insight into the conceptual and practical knowledge of community resilience due to tourism security and safety issues. Chapters examine these topics through an integrated community perspective to provide comprehensive consideration of the interconnected facets of a community encompassing social, economic, environmental, and cultural dimensions when evaluating and addressing matters pertaining to tourism management, safety, security, and resilience. This book is structured around different conceptual, theoretical, and practical strategies employed by destinations to foster and sustain community resilience, particularly during periods of crises as well as communities in the context of tourism recovery. It examines this across geographical borders and in many different contexts, not just locations of tourism or types of tourism such as religious tourism and different types of crises including natural disasters, pandemics, and terrorism. This book is an essential reading for all tourism students, researchers, and academics as well as for those interested in conflict and crises recovery.

Industry 4.0 - Shaping The Future of The Digital World Paulo Jorge da Silva Bartolo, Fernando Moreira da Silva, Shaden Jaradat, Helena Bartolo, 2020-10-28. The City of Manchester, once the birthplace of the 1st Industrial Revolution, is today a pioneering hub of the 4th Industrial Revolution. Industry 4.0, offering Industry 4.0 solutions in advanced materials, engineering, healthcare, and social sciences. Indeed, the creation of some of the city's greatest academic institutions was a direct outcome of the industrial revolution, so it was something of a homecoming that the Sustainable Smart Manufacturing S2M Conference was hosted by The University of Manchester in 2019. The conference was jointly organised by The University of Manchester, The University of Lisbon, and The Polytechnic of Leiria, the latter two bringing in a wealth of expertise in how Industry 4.0 manifests itself in the context of sustainably evolving, deeply rooted cities. S2M 2019 instigated the development of 61 papers selected for publication in this book on areas of Smart Manufacturing, Additive Manufacturing, and Virtual Prototyping, Materials for Healthcare Applications, and Circular Economy, Design, Education, and Urban Spaces.
