Usher Greeter Handbook Aloha Church Of God:

A Practical Guide for Church Ushers & Greeters Joseph Brewer, 2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He s the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building He s the watchman at the gate keeping an eye out for dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He s the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV *The Complete Local Church Usher's Handbook* Buddy Bell, 1996 *Church Usher: Servant of God* David R. Enlow, 2006-01-01 Church Usher Servant of God A Concise Ministry Manual Updated Edition by David R Enlow is a brief concise book 68 pages in length that give the church a good look at an often overlooked vital ministry within the church In the past the role of the church usher has often been underestimated by

church leadership Anyone can help do this job some say Proven methods of effective ushering is a concept but the ministry of ushering takes on new dignity and in this practical and biblically based study prepared in consultation with ushers from small to large churches Church Usher Servant of God may be used as a self improvement study for individuals or taught in a class setting Head ushers will find it an excellent reference tool for the execution of their duties for their team Each short chapter ends with a summary and thought provoking questions to stir discussion and to help with further study **Church Ushers' Manual** Willis Otis Garrett,1924 God Anointed Usher Archie High,2017-11-05 God Anointed Usher is a practical handbook for Church Ushering This book is a biblical guideline on what to expect from a church Usher how a church usher should conduct himself the duties of a church usher the parameters of the usher station and much more This is a MUST read for anyone who desires to become a usher in the house of the Lord **Church Ushers Manual - A Handbook for Church Ushers and All Others Who Would Promote the Spirit of Fellowship in the House of God** Willis O. Garrett,2007-03 A guide from the late 19th century instructing people in the etiquette of the church Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork Guide for Ushers and Greeters Karie Ferrell,2008 **Welcome to Our Church** Annette Schroeder,1997 When is the best time to seat a latecomer How can you be friendly to visitors without overwhelming them What should you do if someone faints during the worship service It s natural to have these questions as an usher or greeter You can find the answer to these questions and more in Welcome to Our Church This book will help ushers and greeters learn how to make visitors and members feel welcome handle large crowds of people and noisy children prepare for emergencies and problem situations and usher special services like weddings and funerals **The Ushers, Protocols And Greeters That Every Church Needs** Albert O. Aina,2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books todate but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church Their invitation came a bit late I could not be there physically I didn t have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers

and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct them No need for Ushers and the church went on smoothly thereafter I had no book to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are Greeters Who are Traffic Controllers I didn't write any book to explain I only explain during workshop session Now the explanation has become handy Guide for Ushers, Greeters, and Ministers of Hospitality, Second Edition Katie Ferrell, Corinna Laughlin, Paul Turner, Thomas P. God Anointed Usher Archie High, 2017-11-02 God Anointed Usher is a practical handbook for Church Ushering This book is a biblical guideline on what to expect from a church leader especially an Usher on how a church usher should conduct himself the duties of a church usher the character of an usher the wardrobe of an usher the parameters of the usher station and much more This is a MUST read for anyone who desires to become a leader in the house of the Lord Published and Designed by ARD Book Services **Church Ushers' Manual** Willis Otis Garrett, 1924 *Ushering 101* Buddy Bell, 1998-10-01 Ushering in the local church is much more than just shaking hands and passing offering plates Fulfilling your

role as an usher is just as important to the body of Christ as that of a prophet teacher or evangelist This book covers both the biblical and the practical aspects of church ushering **Usher's Manual** Alfred DeWayne Hill, Sr.,2011-01-31 This is an usher s manual to be used in the Negro churches of the United States Dr Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest Thus the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God **Usher's Handbook** Z. L. Bonner,James C. Dickerson,1988 **Usher's Handbook** Z. L. Bonner,James C.

Dickerson,19?? **Ushers, God's Front Line Commanders** Josef Howard,2004-04 This book is a masterpiece on ushers as God s frontline commanders It deals with the change in God s battle plans in conquering the hearts of man and how he has strategically positioned the ushers as a force to be reckoned with by the enemy who tries to infiltrate the church with the aim of causing harm to the work and people of God This work depicts the spiritual struggle that takes place whenever the saints of God gather and how the ushers are caught in the middle of this battle It establishes who should serve as ushers their secret weapons and their general responsibilities in the local church In addition it deals with other issues such as ushers and etiquette ushers taboos what ushers need to know about the local church ushers relationship with the pastor s different kinds of emergencies that occur in the local church and how to handle them the role of the head usher usher s rewards visitor s expectations tips for ushering ushering as a spiritual gift and many more In other words this book scrutinizes the ministry of ushering from an interdenominational and biblical perspective in a way that has been done in Christendom **The Church Usher** Robert Degraw,2010-03 In my youth I would watch the ushers at church and thought it would be neat to usher It didn t look hard and I d get to greet everyone When I got old enough I volunteered and was hooked After I was married and moved to the big city the church I attend was very large and like most churches they needed ushers I was promoted very quickly and the responsibility didn t bother me Then I was drawn to a new daughter church This was a challenge a brand new church I offered what I could When things got settled I was running one of the services When the Head ushers spot came open I didn t think I was ready so I prayed about it A calmness came over me and I knew then it was what God wanted me to do David Foos Head Usher Canyon Hills Community Church Bothell Washington
