MacGuire,2022-03-25 *The Homecoming Seasons* An Irish Catholic Returns to a Changing Long Island is a deeply moving memoir of a returning native s re experience of his childhood community After many years abroad as a graduate student at Cambridge a Peace Corps Volunteer in Thailand and as a country program director of health care and agricultural programs in central Africa James MacGuire returned to New York and spent most of the 1980s at Time Inc Macmillan and the Manhattan Institute In 1990 he married and several years later with a second child on the way he and his wife decamped from Manhattan for a small enclave called the Isle of Wight in the village of Lawrence on the south shore of Long Island where MacGuire had grown up This book tells the story of MacGuire s return to this world how it had evolved from ancient times been inhabited by indigenous peoples colonized by the Dutch and English and then grew from a sparsely populated agricultural corner of western Long Island to an early summer resort then an outer and finally an inner suburb of New York City Jamie MacGuire skillfully weaves memories of his childhood in this almost hidden world with sketches of his family and their friends before updating his account with a lovingly detailed diary like depiction of returning His parents friends now much older the community more diverse as he his wife and children make new friends as they proceed into this changed world He captures in cinematic detail the wonder of the wetlands and surrounding natural world the poignant life death and rebirth of community the joys and sorrows of marriage and parenthood and the profound exultation of safely shepherding two beloved sons to triumphant adulthood This is an uplifting literary memoir that will earn and deserve the widest possible audience **The Stanzas on Vibration** ,1992-09-30 In his *Doctrine of Vibration* the author presents a synthesis of Kashmir Shaivism an overview with Spanda as the central theme Spanda is the vibratory dynamism of the absolute consciousness In this book the author focuses on the school of Kashmir Shaivism that presents this doctrine as its cardinal principle and whose literature consists essentially of the works translated here In his Introduction and in his exposition of the four commentaries the author shows both how the Spanda tradition contributes to the other schools of Kashmir Shaivism and how it is different from them He presents for the first time a detailed treatment of this tradition and an analysis of its development The aim is to offer a method that affords access by the general reader to the wonderful world of the Spanda Yogi through which she travels to the liberating realization of her authentic identity vibrant with the vitality of the universal pulse of Shiva **White Whole** Surazeus Astarius,2019-03-20 *White Whole* presents 1 136 lyrics pastorals satires elegies and narrative poems written in 2018 by Surazeus that explore the evolution of the universe since the First Flash from the *White Whole* **Awakening Through Dreams** Nigel Hamilton,2018-05-08 Most Western approaches to dreams are limited to a psychological paradigm Building on Jung s work which was heavily influenced by the transformative model of alchemy a new multidimensional

approach to the process of human transformation through dreams has been developed which recognises the interrelationship of the psychological and the spiritual and works with the mirroring body in service of both In the approach presented here dreams are seen as a mixture of worldly impressions and expressions of our individual spirit which is trying to speak to us through the metaphors and narrative of our dreams In this way the spiritual comes through the psychological dimension Though it may seem to be a contradiction our dreams hold the key to our awakening and by actively engaging with them we can unlock their potential for initiating and facilitating our own unfoldment This book is about recognising this process when it occurs in dreams and how to work with them in the service of our growth and self realisation      **Whee! We, Wee All the Way Home** Matthew Fox,1980-06 This practical book leads us into a spirituality of passion that leads to compassion coming to our senses in every meaning of the phrase      *Body & Soul (Watertown, Mass.)* ,2005      *Philo of Alexandria's Ethical Discourse* Nélide Naveros Córdova, CDP,2018-09-15 Philo of Alexandria's Ethical Discourse Living in the Power of Piety proposes a fresh approach to better understand Philo's ethics exploring the virtue of piety In this exceptionally well researched book Nélida Naveros Córdova analyzes five major uses of piety in Philo's treatises piety and the Decalogue piety as a foundational virtue piety as the opposite of impiety the practice of piety and the relationship between piety and love of humanity Naveros carefully examines each of these five uses within both the Hellenistic Jewish and Greek philosophical traditions focusing particularly on piety's primary role in Philo's teaching about the acquisition of virtues and the avoidance of vices Naveros argues that in his ethical discourse Philo incorporates language familiar in ancient Greek philosophical ethical systems to attribute qualities and powers to the virtue of piety This book illustrates the way Philo moves beyond both Hellenistic Jewish and Greek philosophical traditions by comprehensively showing how he develops the place of piety from being a subordinate virtue in Greek catalogue of virtues to becoming a foundational virtue Naveros brings evidence from ancient Greco Roman and major Hellenistic Jewish texts as well as modern secondary literature in order to argue and support a plausible case for the understanding of Philo's unique configuration of his own ethical discourse his view of virtue ethics and his philosophical stance To date this is an original study on Philo's ethics and the first to offer the fullest evaluation of piety within the categories of ancient ethical systems
