Soul S Journey:

The Soul's Journey and How It Affects Your Life J.M. Farley, 2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain I began searching for answers as to why all these difficulties kept happening It was at this life threatening time that I was first approached by the energy vibration of the four archangels Due to the fact I had always seen spirits as physical people I didn't believe the angels instructions but after another very special visitation where they showed themselves to me which is no easy feat for them I agreed to write their words and that's how this book manifested As I wrote my life began to make sense which now enables me to live with more awareness of what part I have to play in my soul's journey opening my eyes to wonderful new possibilities When angels speak do you listen I did and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence and how you can work with your soul to ease life's impact So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before
