highlighting the international character of the conference but is also promising very interesting discussions based on the broad treasure trove of experience of our community and participants SADC Gender Protocol 2017 Barometer Morna, Colleen Lowe, Makamure, Lucia, 2017-10-04 The SADC Protocol on Gender and Development is the only sub regional instrument in the world that brings together global and continental commitments to gender equality in one instrument used to enhance accountability The Southern African Gender Protocol Alliance is a network of country and regional NGOs that campaigned for the Protocol its updating implementation and tracking Originally aligned to the Millennium Development Goals that expired in 2015 SADC Gender Ministers updated the Protocol and aligned it to the Sustainable development Goals SDGs Beijing Plus Twenty and the Africa Agenda 2063 in 2016 In July 2017 the Ministers adopted a Monitoring Evaluation and Reporting Framework MERF that will be the basis of future reporting Now in its ninth edition the 2017 Barometer is the first assessment of the Post 2015 SADC Gender Protocol Moving with the times the Alliance has expanded the two key main yardsticks in the Barometer the SADC Gender and Development Index SGDI and the Citizen Score Card CSC The Barometer incorporates many MERF and SDG indicators as well as its own unique measures of voice choice and control The Barometer also introduces the Gender Responsive Assessment of Constitutions and Laws conducted by Alliance experts and networks around the region A wealth of data insights and analysis awaits all readers of the Barometer that will also be made available online and in multi media formats The SADC we want is one in which citizens engage step it up for gender equality and make sure we achieve Planet 50 50 by 2030 Guns & Roses: Comparative Civil-Military Relations in the Changing Security Environment Steven Ratuva, Radomir Compel, Sergio Aguilar, 2019-01-04 This edited volume provides a critical and comparative discussion of the changing synergy between the military and society in the dramatically transforming global security climate drawing on examples from the Asian Pacific African Middle Eastern European and South American regions The book is interdisciplinary and covers wide ranging issues relating to civil military relations democratization regional security ethnicity peace building and peace keeping civilian oversight internal repression gender regime change and civil society **The Eastern Fleet and the Indian Ocean, 1942-1944** Charles Stephenson, 2022-04-06 A study of the British Royal Navy's activities in the Indian Ocean during World War II led by Admiral Sir James Somerville The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre it was sent to protect it has no place in the popular consciousness of the naval history of the Second World War So Charles Stephenson's deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves British pre war naval planning for the Far East is part of the story as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941 but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft as well as Japanese and German submarines Later in the war once the fleet had been reinforced with an

American aircraft carrier it was strong enough to take more aggressive actions against the Japanese and these are described in vivid detail Charles Stephenson's authoritative study should appeal to readers who have a special interest in the war with Japan in naval history more generally and Royal Navy in particular Praise for *The Eastern Fleet and the Indian Ocean 1942-1944* This meticulously researched outstandingly clear well written and absorbing account is long overdue and will most likely become a standard work The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region Highly recommended Military Historical Society I enjoyed this book it gives us an account of an often neglected part of the war at sea and of the achievements of Admiral Somerville who kept his fleet intact in the face of a potentially overwhelming opponent then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese Dr John Rickard author and webmaster of the Military History Encyclopedia on the Web [The Untold Story of Zama Zama Miners in South Africa](#) Vidette Bester, 2025-04-30 This book results from a decade of in depth research on the complexities of Zama Zama mining in South Africa which has become a pressing issue of late It critiques the overly simplistic portrayal of the miners negatively and as illegal immigrants Through a sociological lens this book explores the broader socio economic conditions the profound impact of South Africa's mining history particularly the migrant labor system on today's Zama Zama miners and the role of women in the sector This book is not just about mining it interrogates issues around language poverty and power It challenges dominant societal narratives and examines how labels can further marginalize vulnerable groups Inspired by the works of Pierre Bourdieu and Michel Foucault on classification and language the book questions who holds the power to label and shape mainstream discourses Amplifying the voices of the Zama Zamas themselves the book transforms the conversation around Zama Zama mining in South Africa and beyond providing fresh insights into this complex and marginalized sector This book is more than an original and insightful study on informal mining it offers practical initiatives for businesses government and civil society to engage with and address this marginalized sector more sustainably **Contemporary Intelligence in Africa** Tshepo Gwatiwa, 2024-08-08 The edited volume examines contemporary intelligence and tradecraft in Africa The work offers a timely and empirically grounded account of African intelligence It provides a multi contributor narrative that explains contemporary dynamics without discounting historical and external influences as well as explaining systemic dynamics borne by African agency The volume features chapters on different issues and themes in intelligence studies which include but are not limited to intelligence politicization covert operations and subversion during political transitions institutionalizing intelligence in post conflict states intelligence and counterterrorism financial intelligence and complex crimes intelligence professionalization media and intelligence intelligence humanization environmental intelligence and others The volume is geographically representative and features case studies from the five regions of Africa North Africa the Maghreb East Africa or Horn of Central Africa West Africa and

Southern Africa Without following a specific theoretical orientation the book also aims to start a conversation around the prospects for a theory for African intelligence with the various chapters paying attention to the political social and economic nuances that have a bearing on contemporary intelligence in Africa This book will be of great interest to students of intelligence studies African politics security studies and IR

The Imperial Army Project Douglas E. Delaney, 2018-01-25

How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan fight shoot communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars What did the British want from the dominion and Indian armies and how did they go about trying to get it Douglas E Delaney seeks to answer these questions to understand whether the imperial army project was successful Answering these questions requires a long term perspective one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory performance in South Africa 1899 1903 and follows through to the high point of imperial military cooperation during the Second World War Based on multi archival research conducted in six different countries on four continents Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India At its core this book is really about how a military coalition worked
