For My Son On Graduation Day

*Today, as you graduate,
one chapter in your life has closed,
and another is about to begin.
The future stands bright before you,
so take hold of your dreams
and no matter what...don't let go.
There will be times ahead
when you will feel overwhelmed,
but try not to give up,
for nothing which is worth anything,
comes without hard work and sacrifice.
When you were a little boy,
I held your hand.
I guided you and protected you
as best I could.
It's time for me to let go now.
There is some pain in that.
Still, there is also a wonderful sense
of pride and accomplishment
as I look at the young man
that you have become.
I love you, Son, and I pray
that my love will sustain you.
It's time now...
spread your wings and fly!*

Aw, 2009-09-29 This is a book of thought provoking conversant poetry speaking about how to deal with distance yourself and or break away from negative minded people who don't mean you well in life and or who prefer to live their lives with confusion stupidity ignorance and ungodliness Sadly there are daughters sons who've fallen victim to emotional blackmail by a loved one who haven't wrestled nor confronted their own past demons for so long that its toll has become painfully burdensome And no matter what you say or do it's never enough which is why it is so critical to Preserve Your Sanity At All Cost to increase the length of time of your existence on Earth to take care of self and your family In this book you'll find that you or someone else you know are not alone when experiencing negative situations of any kind which is why this subject of maintaining one's own sanity should be addressed publicly without candy coating the truthfulness about negative human behavior Werner's Readings and Recitations, 1915

level None has explored those conflicts and struggles in depth through an individual woman's life story. *The Journey of a Tzotzil Maya Woman of Chiapas, Mexico* now offers that perspective in one woman's own words. Anthropologist Christine Eber met Antonia in 1986 and has followed her life's journey ever since. In this book they recount Antonia's life story and also reflect on challenges and rewards they have experienced in working together, offering insight into the role of friendship in anthropological research as well as into the transnational movement of solidarity with the indigenous people of Chiapas that began with the Zapatista uprising. Antonia was born in 1962 in San Pedro Chenalhó, a Tzotzil Maya township in highland Chiapas. Her story begins with memories of childhood and progresses to young adulthood when Antonia began working with women in her community to form weaving cooperatives while also becoming involved in the Word of God, the progressive Catholic movement known elsewhere as Liberation Theology. In 1994, as a wife and mother of six children, she joined a support base for the Zapatista Army of National Liberation. Recounting her experiences in these three interwoven movements, Antonia offers a vivid and nuanced picture of working for social justice while trying to remain true to her people's traditions.
