2030 Mauro F. Guillén,2025-09-23 AN INTERNATIONAL BESTSELLER Wall Street Journal Bestseller A Porchlight Book Bestseller Financial Times Best Books of 2020 Yahoo Finance Favorite Business Books of 2020 JP Morgan NextList 2021 selection Bold provocative illuminates why we re having fewer babies the middle class is stagnating unemployment is shifting and new powers are rising ADAM GRANT The world is changing drastically before our eyes will you be prepared for what comes next A groundbreaking analysis from one of the world s foremost experts on global trends including analysis on how COVID 19 will amplify and accelerate each of these changes Once upon a time the world was neatly divided into prosperous and backward economies Babies were plentiful workers outnumbered retirees and people aspiring towards the middle class yearned to own homes and cars Companies didn t need to see any further than Europe and the United States to do well

Printed money was legal tender for all debts public and private We grew up learning how to play the game and we expected the rules to remain the same as we took our first job started a family saw our children grow up and went into retirement with our finances secure That world and those rules are over By 2030 a new reality will take hold and before you know it There will be more grandparents than grandchildren The middle class in Asia and Sub Saharan Africa will outnumber the US and Europe combined The global economy will be driven by the non Western consumer for the first time in modern history There will be more global wealth owned by women than men There will be more robots than workers There will be more computers than human brains There will be more currencies than countries All these trends currently underway will converge in the year 2030 and change everything you know about culture the economy and the world According to Mauro F Guillen the only way to truly understand the global transformations underway and their impacts is to think laterally That is using peripheral vision or approaching problems creatively and from unorthodox points of view Rather than focusing on a single trend climate change or the rise of illiberal regimes for example Guillen encourages us to consider the dynamic inter play between a range of forces that will converge on a single tipping point 2030 that will be for better or worse the point of no return 2030 is both a remarkable guide to the coming changes and an exercise in the power of lateral thinking thereby revolutionizing the way you think about cataclysmic change and its consequences

The Maid Narratives Katherine Van Wormer, David W. Jackson III, Charletta Sudduth, 2012-09-17 The Maid Narratives shares the memories of black domestic workers and the white families they served uncovering the often intimate relationships between maid and mistress Based on interviews with over fifty people both white and black these stories deliver a personal and powerful message about resilience and resistance in the face of oppression in the Jim Crow South The housekeepers caretakers sharecroppers and cooks who share their experiences in The Maid Narratives ultimately moved away during the Great Migration Their perspectives as servants who left for better opportunities outside of the South offer an original telling of physical and psychological survival in a racially oppressive caste system Vinella Byrd for instance from Pine Bluff Arkansas recalls how a farmer she worked for would not allow her to clean her hands in the family s wash pan These narratives are complemented by the voices of white women such as Flora Templeton Stuart from New Orleans who remembers her maid fondly but realizes that she knew little about her life Like

Stuart many of the white narrators remain troubled by the racial norms of the time Viewed as a whole the book presents varied rich and detailed accounts often tragic and sometimes humorous The Maid Narratives reveals across racial lines shared hardships strong emotional ties and inspiring strength

Do I Really Have to Teach Reading? Cris Tovani,2004
 Do I really have to teach reading This is the question many teachers of adolescents are asking wondering how they can possibly add a new element to an already overloaded curriculum And most are finding that the answer is yes If they want their students to learn complex new concepts in different disciplines they often have to help their students become better readers Building on the experiences gained in her own language arts classroom as well as those of colleagues in different disciplines Cris Tovani author of I Read It but I Don t Get It takes on the challenge of helping students apply reading comprehension strategies in any subject In Do I Really Have to Teach Reading Cris shows how teachers can expand on their content expertise to provide instruction students need to understand specific technical and narrative texts The book includes examples of how teachers can model their reading process for students ideas for supplementing and enhancing the use of required textbooks detailed descriptions of specific strategies taught in context stories from different high school classrooms to show how reading instruction varies according to content samples of student work including both struggling readers and college bound seniors a variety of comprehension constructors guides designed to help students recognize and capture their thinking in writing while reading guidance on assessing students tips for balancing content and reading instruction Cris s humor honesty and willingness to share her own struggles as a teacher make this a unique take on content reading instruction that will be valuable to reading teachers as well as content specialists

The Art of Fatherhood Noah Charney,Miha Mazzini,2025-10-02
 Fatherhood is a fundamental aspect of human existence and a central theme in the arts Yet depictions of fathers in art have been overshadowed by those of mothers and children This book explores representations of fathers in visual culture and literature throughout history from ancient to contemporary times and around the world It includes a broad definition of fathers which also covers father figures and metaphorical fathers The portrayal of fathers in art literature and film has evolved over time reflecting the changing societal attitudes towards fatherhood From the early depictions of father figures as providers and protectors to the more recent portrayals of fathers as involved and nurturing parents art has explored the complexities and challenges of being a father while also showcasing the joys and rewards that come with the role This will be the definitive look at how fathers have been portrayed in the arts and how that reflects cultural and societal views on fatherhood through history Through this we will draw out lessons on how to be a good father and apply it to parenting today It is the ideal gift for new fathers on Father s Day or following the birth of a first child
