Reclaiming the Tomboy Erica Joan Dymond, Jennifer Harrison, Holly Wells, 2022-07-11 With the tomboy figure currently operating in a liminal space between extinction and resurgence Reclaiming the Tomboy The Body Identity and Representation is an unabashed celebration of her rebellious independent and pioneering spirit This collection examines the tomboy as she appears throughout history in the arts and in real life It also addresses how she has changed over the centuries adapting to the world around her and breaking new boundaries in new ways sometimes with a simple selfie While this collection addresses the claim of the tomboy as being antiquated or even problematic it more vigorously offers examples of where she is thriving and benefiting from her tomboy identity Ultimately this book underscores the tomboy's legacy as well as why she is still relevant if not needed today

Davis, 2020-08-11 Based on the author's viral New York Times op-ed this heartfelt book is a celebration and exploration of the tomboy phenomenon and the future of girlhood We are in the middle of a cultural revolution where the spectrum of gender and sexual identities is seemingly unlimited So when author and journalist Lisa Selin Davis's six year old daughter first called herself a tomboy Davis was hesitant Her child favored sweatpants and T-shirts over anything pink or princess themed just like the sporty skinned kneed girls Davis had played with as a kid But tomboy seemed like an outdated word why use a word with boy in it for such girls at all So was it outdated In an era where some are throwing elaborate gender reveal parties and others are embracing they/them pronouns Davis set out to answer that question and to find out where tomboys fit into our changing understandings of gender In Tomboy Davis explores the evolution of tomboyism from a Victorian ideal to a twenty-first century fashion statement honoring the girls and women and those who identify otherwise who stomp all over archaic gender norms She highlights the forces that have shifted what we think of as masculine and feminine delving into everything from clothing to psychology history to neuroscience and the connection between tomboyism gender identity and sexuality Above all else Davis's comprehensive deep dive inspires us to better appreciate those who defy traditional gender boundaries and the incredible people they become Whether you're a grown up tomboy or raising a gender rebel of your own Tomboy is the perfect companion for navigating our cultural shift It is a celebration of both diversity and those who dare to be different ultimately revealing how gender nonconformity is a gift **Sage Living** Anne Sage, 2015-09-15 Perfectly named
