Alexander L. James

Tone Commander Manual:

Manual of Military Training James Alfred Moss, 1917 *The Tank Commander Pocket Manual* R. Sheppard, 2016-08-19

From the pioneering tactics and terror of the Blitzkrieg assault through the carnage of Barbarossa Kursk the Desert War and the Normandy Bocage and the Battle of the Bulge there were perhaps no more unsettling and merciless positions to occupy in the Second World War than that of a tank commander This new book puts the reader at the very heart of this hell on wheels and presents all of the original information required to perform this most dangerous of wartime battlefield roles From training manuals and war office memorandums to combat reports and first hand accounts The Tank Commander Pocket Manual sits you in the turret position of commander of some of the most fearsome land vehicles These include the Soviet T 34 the German Panther and its nemesis the American Sherman the terrifying Tiger I as well as tank variants including flamethrowers and tank destroyers such as the Allied M10 and the StuG III Original documents diagrams technical drawings and reports have been collated and compiled from archives and collections to include original Russian German and English angles on the commander s many roles including how to run the rest of the crew of this most decisive weapon of the Second World War Published to mark the centenary of the tank Rare previously unpublished documents Attractively produced in cloth bound retro styled case R Shepherd has worked for many years in military publishing for leading companies such as Casemate and Osprey and has compiled a number of books Pool of London Pocket Manuals The new Pocket Manual series from the Pool of London Press presents some of the most iconic military naval and transport machines from the last 100 years by means of compiling the original documents confidential memos plans and artworks that contributed to their celebrated history This approach allows the modern reader both to have an excellent understanding of the development of these extremely influential aircraft AFVs ships automobiles and trains but also provides the unique opportunity for further interpretation through the study of many previously unpublished original documents diagrams and illustrations Every volume in the series is skillfully compiled and researched by the leading experts in their field who also provide a lengthy contextualizing introduction Superbly priced retro styled to their historical period and beautifully hard bound in debossed cloth the Pool of London Pockets sell as self purchase gift and are excellently suited to book trade as well as to museum stores and heritage outlets across the world *Manual for Commanders of Infantry Platoons* France. Moscatelli, 2005-07-15 THE TROUBLE WITH QUOTE BOOKS to

paraphrase something Napoleon once said about books in general is that in them one has to read so many bad quotes to find some that are really good Most authors of quote books include in their pages numerous forgettable quotes among the few that are really worth remembering Not so with this quote book This book is an unpadding collection of carefully selected quotes Each quote is guaranteed to cause the reader to think learn grow or in some cases laugh Open this book to any page and you will find selected gems of the spoken and written word that you will use again and again It is a comprehensive resource that will give you an appropriate quote for almost any subject you want to address in your speaking or writing Bob Moscatelli is a 1958 graduate of West Point He accumulated the quotes in this book over a fifty year period which included twenty six years as a career Army officer eight as a financial programmer and four in politics He is also the author of Too Soon Old Too Late Smart a book on the fundamentals of personal finance This book is an ideal gift for readers of all ages Buy a copy for yourself and for everyone you care about who will appreciate a useful gift that will have a beneficial influence on his or her life for years to come
