with author Keith Elliot Greenberg as he pieces together the puzzle of James Dean's final day and its everlasting impact. Greenberg travels to Dean's hometown to talk with folks who knew the star and all the way to the California roads that underlay the tires of the actor's infamous Porsche Spyder. Taking the story back and forth in time, Greenberg gives insight into what drove Dean to live on the edge, the early loss of his mother, his relentless drive to explore for the sake of his craft. Dean once said, "Dream as if you'll live forever. Live as if you'll die today." He lived to experience and the one love that compared to his love of acting was his love of racing cars. Greenberg puts the event in historical context, reflecting on the world Dean lived in at the time: an era after World War II, the end of the Korean War, the advent of rock and roll with the sixties coming down the pike. The star's too soon departure froze him as a symbol of American Cool and, as proven by the 20,000 people who return to Dean's grave each year to pay homage, a major influence on youth culture for myriad generations. With fresh interviews with insiders, riveting storytelling, and acute attention to details from vehicle specs to Dean's stops along the way, including for an ominous speeding ticket to how the news reached the world, Greenberg delivers a thoughtful look at this historical moment.

Too Brave to Live, Too Young to Die - Teenage Heroes From WWI Nigel Cawthorne, 2015-11-05. World War I was a slaughter on an unprecedented scale. Nevertheless, there was no shortage of young men willing to sacrifice themselves for their country. Some lied about their age to join up, not just at the start of the war when it was seen as a glorious adventure, but even towards the end when the true horror of the mechanized butchery was known to one and all. This book concerns the young men who were not yet twenty when they won the Victoria Cross, the British armed forces' highest award for gallantry. Many perished in the action that earned them the VC. Others survived to receive the award but then went on to die later in the war. One was as young as sixteen. Several were just eighteen, though they were supposed to be nineteen before they were allowed to serve overseas. They were sailors and airmen as well as soldiers, and they came from Britain, Ireland, Australia, Canada, Nepal, and India. Each one demonstrated an exceptional nerve and bravery. While some did survive World War I, even going on to serve in World War II, they showed a reckless indifference to death that made them *Too Brave to Live, Too Young to Die*. World War I has been over for nearly a hundred years now, but the tales of their valour live on. These men and their exploits deserve to be remembered in the hope that young men will never be called on to do such things again.

My early investigations led me to find three gold coins. The coins had been buried deep underground along with the first clues that could dramatically change my life forever. My quest to find the priceless coins led me and my new friend Bonnie Lou Starr to Des Moines, Iowa. In search for more clues, we visited the

famous Des Moines Christian Cathedral Church and homeless shelter where the two of us spent five nights eating sleeping and pretending to be homeless Des Moines is where my great grandfather Melvin Porter Dread was buried His grave was where I dug up more clues which led me to believe I could become one of the richest twelve year old kids in the entire world if I found that priceless lost gold Soon after we returned home a story of two twelve year old kids from Nebraska was all over the national and local TV news Could that be it Maybe this case needed to be stamped closed Then I started connecting the missing pieces in this Dread family mystery with all those clues that could only lead to one remaining question just where did my great grandfather hide the gold I now have a good idea where it might have been hidden in the very church the Dread family had built back in 1906 It is the same church my father who believes that God does love the poor as much as the rich still preaches in every Sunday I know you are anxious to see how this mystery will turn out I still believe there could be a fortune of gold coins hidden somewhere and I have been busy doing every possible thing I can do to find them I assure you As luck would have it I am unfortunately trapped and in a great amount of pain As I lie here trying to make it through the night I know however this story turns out at twelve I am too young to die this rich Sincerely Mel P Dread Does God love the rich more than he does the poor At this tales end you will have laughed you will have cried and most of all you will have felt the joy that a good story can provide ones soul In the end we might reach the conclusion that the meaning of love is as simple as we each choose to make it
