Tooth Homemade Recipe:

DIY IT ALL Lauren R. Daniels, Did you know that there is no regulation on commercially sold products Some products we buy everyday contain ingredients that are known to cause irritation and in worst case scenario even cause cancer Until a few years ago I didn't know either Once I learned more about what ingredients were in store bought products the more control I wanted over what I was exposing myself to and learned how easy it was to DIY things instead of buying them from the store It is so empowering to make your own products It gives you peace of mind to know exactly what you are putting on and in your body My hope is that this book shows you that ease and empowers you to try it for yourself This book Explains the ingredients for each recipe as well as why they are included Includes links and guidance on where ingredients can be found and what to look for when making your purchase Has scannable QR codes to access video tutorials for each recipe Answers frequently asked questions regarding recipe yield shelf life and optional ingredients Provides step by step instructions on how to make and use each recipe This book is perfect for Anyone looking to take control of their health and well being Gifting to the DIY'er in your life You yes you

Cure Tooth Decay Ramiel Nagel, 2012-02 Forget about drilling filling and the inevitable billing Your teeth can heal naturally because they were never designed to decay in the first place They were designed to remain strong and healthy for your entire life But the false promises of conventional dentistry have led us down the wrong path leading to invasive surgical treatments that include fillings crowns root canals and dental implants Now there is a natural way to take control of your dental health by changing the food that you eat Cure Tooth Decay is based upon the pioneering nutritional program of dentist Weston Price former head of research at the National Dental Association Dr Price's program proved to be 90-95% or more effective in remineralizing tooth cavities utilizing only nutritional improvements in the diet Cure Tooth Decay is the result of five years of research and trial and error that started as one father's journey to cure his daughter's rapidly progressing tooth decay With Cure Tooth Decay you will join the thousands of people who have learned how to remineralize teeth eliminate tooth pain or sensitivity avoid root canals stop cavities sometimes instantaneously regrow secondary dentin form new tooth enamel avoid or minimize gum loss heal and repair tooth infections only use dental treatments when medically necessary save your mouth and your pocketbook from thousands of dollars of unneeded dental procedures and increase your overall health and vitality
