Psyched Up Daniel McGinn, 2017-06-06 Closing the sale Asking for a raise Nailing the big presentation Of the 2 000 hours you work every year your success or failure is determined in the couple of dozen crucial hours when you need to bring your absolute best Will you The last few minutes before a major challenge can be terrifying Ever wished you knew how to make sure you ace the make or break test audition or interview We often feel the

most powerless just before we're expected to act powerful. As you'll learn in this life-changing book, practice might make perfect, but perfection is useless if you can't summon it when it counts. Pulling off a great speech or the pivotal at-bat also requires the right kind of mental preparation. In *Psyched Up*, journalist Daniel McGinn dives into the latest psychological research and interviews athletes, soldiers, entertainers, and others who, despite years of practice and enviable track records, will ultimately be judged on their ability to deliver a solid performance when it's their turn to shine. For instance, he reveals how Jerry Seinfeld's jacket and Stephen Colbert's pen help them get laughs. What General Stanley McChrystal said to Special Forces before they entered the battlefield. Why the New England Patriots hired the DJ from the Red Sox to help them win. Among other counterintuitive insights, McGinn reveals why trying to calm your backstage jitters can be worse for your performance than channeling it into excitement, how meaningless rituals can do more to prepare you in the final moments than last-minute rehearsal, and how a prescription from your doctor could help you unleash your best skills. Whether you're a sportsperson or a salesperson, an actor or an entrepreneur, one bad hour can throw away months of hard work. There's so much conflicting popular advice that we often end up doing the wrong things. McGinn separates the facts from the old wives' tales and shares new research-driven strategies for activating your talent, optimizing your emotions, and getting psyched up to take the spotlight.

High Performance Habits Brendon Burchard, 2017-09-19 THESE HABITS WILL MAKE YOU EXTRAORDINARY Twenty years ago, author Brendon Burchard became obsessed with answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most? After extensive original research and a decade as the world's leading high-performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits, and when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being, no matter your age, career strengths, or personality? To become a high performer, you must seek clarity, generate energy, raise necessity, increase productivity, develop influence, and demonstrate courage. The art and science of how to do all this is what this book is about. Whether you want to get more done, lead others better, develop skill faster, or dramatically increase your sense of joy and confidence, the habits in this book will help you achieve it faster. Each of the six habits is illustrated by powerful vignettes, cutting-edge science, thought-provoking exercises, and real-world daily

practices you can implement right now If you've ever wanted a science backed heart centered plan to living a better quality of life it's in your hands Best of all you can measure your progress A link to a free professional assessment is included in the book

The Logic of Innovation Johanna Gibson, 2016-03-03 The Logic of Innovation examines not merely the supposed problem of the efficacy and relevance of intellectual property and the nature of innovation and creativity in a digital environment but also the very circumstances of that inquiry itself Social life has itself become a sphere of production but how might that be understood within the cultural and structural transformation of creativity innovation and property Through a highly original interlocutory and therapeutic approach to the issues in play the author addresses the concepts of innovation and the digital by means of an investigation through literature and the imagination of new scenarios for language business and legal reform The book

undertakes a complex inquiry into innovation and property through the wonder of Alice's journeys in Wonderland and through the Looking glass. The author presents a new theory of familiar production to account for the kinship that has emerged in both informal and commercial modes of innovation and foregrounds the value of use as crucial to the articulation of intellectual property within contemporary models of production and commercialization in the digital.

INKED Doug Swanson, 2023-12-11 Casey Theodore Cranston Randall Monterey who prefers to be called EDY lives for Jack. Adopted on his thirty fourth day of life EDY seeks revenge for the injustice that he believes has been wrongfully delivered through his adoption. Striving to avenge the injustice his untoward lifestyle eventually leads him to Bread Man. Through a restorative justice mentorship program EDY is assigned to ride shotgun in Bastien Fergus Hunt's bread wagon for 16 weeks. EDY defiantly accepts his 16 week assignment with no intention of accepting the tutelage of Bread Man. A middle aged man and a defiant youth navigate the daily 10 hour sojourn through a rural community delivering bread to fourteen communities. Guarded defiant and angry EDY is confident he can navigate the 16 week punishment with minimal engagement so that he may return to his free wheeling self absorbed lifestyle. Bread man on the other hand is not easily provoked or irritated. Through strained conversations they eventually discover they share similar journeys. The Bread Wagon serves as a space where a mentor and reluctant learner eventually uncover their shared angst.

How to be a Happier Parent KJ Dell'Antonia, 2020-06-02 An encouraging guide to helping parents find more happiness in their day to day family life from the former lead editor of the New York Times Motherlode blog. In all the writing and reporting KJ Dell'Antonia has done on families over the years one topic keeps coming up again and again parents crave a greater sense of happiness in their daily lives. In this optimistic solution packed book KJ asks How can we change our family life so that it is full of the joy we'd always hoped for. Drawing from the latest research and interviews with families KJ discovers that it's possible to do more by doing less and make our family life a refuge and pleasure rather than another stress point in a hectic day. She focuses on nine common problem spots that cause parents the most grief explores why they are hard and offers small doable sometimes surprising steps you can take to make them better.
