Sorority Recommendation Letter:

Affirming Identity, Advancing Belonging, and Amplifying Voice in Sororities and Fraternities Pietro A. Sasso, Mónica Lee Miranda, J. Patrick Biddix, 2024-04-01 In the wake of the AbolishGreekLife and other calls for racial justice the role of identity development also becomes ever increasingly important as we consider how to make the sorority fraternity more inclusive for our students In the end it may really be the power of inclusion on college campuses that leads to many of the educational goals that we yearn for in student growth the formal and informal social interactions bonded in reflective learning that help build social and academic success In this we can celebrate together especially those of us who have romanticized so many bright college years This text is a response to a call for existential exploration as an attempt to critically revivify our understanding of the sorority fraternity experience as it contributes specifically to students identity development and learning The text is grouped around centering their experiences through three A s Amplifying Voice Affirming Identity and Advancing Belonging to highlight the identity experiences of the diverse spectrum of fraternity and sorority members across the intersections of identity so often excluded from the literature Chapters in this text attempt to foreground how the fraternity sorority experience explicitly contributes to these areas of student development across multiple identities including race ethnicity culture gender identity social class and ability Authors critically interrogate systems of oppressions that subjugate marginality from those with intersectional identities to recognize the larger challenges facing the sorority fraternity movement as an attempt to disrupt these systems to better identify influences on identity development

ENDORSEMENTS Pietro Sasso and associates are leading a game changing conversation about the impact of fraternity and sorority communal experiences on student identity Pietro Sasso and the contributing authors of this robust text successfully endeavor to inform practice through critical analysis framing important questions and offering pragmatic solutions that are timely relevant and practical in both the academy and the fraternal system This book is a must read for anyone seeking to understand or have a relevant impact on the intersections of sense of belonging identity development and sorority fraternity life Jason L Meriwether Campbellsville University In their most recent book examining contemporary sorority and fraternity life Sasso Biddix and Miranda have curated discerning chapters that expand existing scholarship by exploring the impact of fraternity and sorority membership on identity development belonging and student voice through critical lenses This book should be on the bookshelf of all higher education administrators and faculty Gavin Henning New England College

Girls on the Verge Vendela Vida, 2025-06-25 In a fascinating look at how young women are coming of age in America Vendela Vida s *Girls on the Verge* explores a variety of rituals that girls have adapted or created in order to leave their childhoods behind Vida doesn t just observe the rituals she actively participates in them going as far as spending a week at UCLA to experience rush she emerges a Tri Delt She also goes to Miami to learn about the quince the Latin American celebration of a girl s fifteenth birthday to Houston to take part in a debutante ball to Los Angeles and San Francisco to talk to female gang

Before You Pledge: Essential Information You Should Know About the Divine Nine Dr. Michael J. R. Winfield, *Before You Pledge Essential Information You Should Know About the Divine Nine* is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all white

college campuses Intense racial prejudice forced many black students to leave predominantly white universities And at the same time on Historically Black College campuses the desire for fellowship through shared social experiences led to the rise of Black Greek life starting with Cornell University in New York Alpha Phi Alpha the first black fraternity formed at a predominantly white university in 1906 would point the way for similar organizations to develop Between 1906 and 1922 eight Black Greek Letter Organizations were formed with a ninth in 1963 Known collectively as the Divine Nine these five fraternities and four sororities would go on to shape the course of Black America Together these young black men and women would face down racial prejudice take the lead in the fight for social justice in the end reshape the American cultural landscape Finally no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine
