Soul Half Empty:

A Soul's Journey Rabbi Terry Bookman, 2004-12 The journey of the spirit is not marked by a smooth four lane highway Rather like the path through a Zen garden it is curved with many switchbacks and lots of turns While there may be many beginnings there really is no destination Its goal is self awareness enlightenment and inner peace It is a journey we take with our lives In his latest book Rabbi Terry Bookman explores the many ups and downs associated with the life of the spirit Drawing on the ancient traditions of Judaism A Soul s Journey serves as a kind of roadmap for the path offering practical insights and modern applications along the way Rabbi Bookman has been described as a wise and compassionate teacher who combines knowledge from a wide variety of disciplines and religious faiths to challenge and encourage his students and readers He is the author of two books *The Busy Soul* and *God 101* and the co author of two CDs of contemporary Jewish music

The Martian's Regress J. O. Morgan, 2020-03-05 SHORTLISTED FOR THE TS ELIOT PRIZE 2020 From the winner of the Costa Poetry Award A lone martian returns to Earth He leaves behind him a hardened survivalist culture its muddled myths and songs its continued abuse of the environment that sustains it During this journey back to the now broken and long abandoned mother planet the martian begins to consider his own uncertain origins and his own future Cut off from his people the martian s story is that of the individual his duty at odds with his desire the race of which he s still a part playing always on his mind as well as the race that once was This is the story of what life becomes when stripped of all that makes it worth living of what humans become when they lose their humanity The Martian s Regress is a brilliant provocative often darkly comic work that explores what a fragile environment eventually makes of those who persist in tampering with it
