Marginalized, Mobilized, Incorporated Rina Verma Williams, 2023 How has the participation of women in Hindu nationalist politics in India changed over time More broadly what has their changing participation meant for women Hindu nationalism and Indian democracy In *Marginalized Mobilized Incorporated* Rina Verma Williams places women's participation in religious politics in India into historical and comparative perspective through a focus on the most important Hindu nationalist political parties in modern Indian history the All India Hindu Mahasabha HMS and the Bharatiya Janata Party BJP She compares three critical periods to show the increasing involvement of women in Hindu nationalist politics over time In its formative years in the early 1900s the HMS marginalized

women in the 1980s the BJP began to mobilize them and in the contemporary period as the BJP returned to power in 2014 it has incorporated women into its structures and activities Williams contends that the incorporation of women into Hindu nationalist politics has significantly advanced the BJP's electoral success compared to prior periods when women were either marginalized or mobilized in more limited ways For the BJP women's incorporation works to normalize religious nationalism in Indian democracy however incorporation has not been emancipatory for women whose participation in BJP politics is still predicated on traditional gender ideologies that tether women to their social roles in the home and family Drawing on significant new data sources Williams includes interviews with key BJP leaders visual campaign materials and an examination of major campaign events to construct an unmatched before and after view of India's watershed 2014 elections Given that the BJP is one of the most dynamic religious ethno nationalist parties in the world at present Williams account of how it incorporated masses of women into its coalition is essential reading for scholars and students interested not just in India but in the relationship between gender and right wing populist politics globally

organometallic department of chemistry and chemical biology - Feb 28 2023

web organometallic organometallic chemistry melds the disciplines of inorganic and organic in examining the structure both conformational and electronic and reactivity of compounds containing metal carbon bonds main group and transition metal reagents are investigated in the context of stoichiometric and catalytic transformations critical

13 1 introduction to organometallic chemistry - Aug 25 2022

web apr 16 2023 organometallic complex a complex with bonding interactions between a metal atom and one or more carbon atoms of an organic group or molecule an organometallic complex is defined as a complex with bonding interactions between one or more carbon atoms of an organic group or molecule and at least one metal atom

1 2 what is organometallic chemistry chemistry libretxts - Apr 01 2023

web to throw another motive into the mix for the non specialist or the synthesis spurning chemist organometallic chemistry is full of intriguing stories of scientific inquiry and discovery exploring how researchers take a new organometallic reaction from ooh pretty to strong predictive power is instructive for anyone interested in how

our cup of tea sustainable organometallic chemistry - Nov 27 2022

web this organometallics special issue sustainable organometallic chemistry features 18 contributions focusing on organometallic systems and reactions in which one or several components are sustainable this includes in particular a switch to not only earth abundant metals but also green ligands bio based solvents and nonfossil substrates

organometallic chemistry latest research and news nature - Sep 25 2022

web oct 31 2023 organometallic chemistry is the study of the synthesis structure and reactivity of chemical compounds that contain metal carbon bonds these compounds are often used as homogeneous catalysts
