No more complicated recipes with lengthy ingredient lists or cooking methods that take hours to complete. This book is all about making healthy and delicious meals that are simple to make so you can spend less time in the kitchen and more time enjoying your meal. In the introduction of the book you will learn why cooking without hassle is so important. I also share my tips on essential kitchen tools and utensils that every home cook should have and provide a brief overview of basic cooking techniques so you have the confidence to tackle any recipe in this book. The chapters in this book are divided into various categories such as soups, starters, appetizers, pasta recipes, one pot meals, poultry, seafood, meat, vegetarian, side dishes, and desserts. Each recipe has been selected for its ease of preparation, delicious taste, and appealing presentation. You will find a range of recipes to suit every taste and occasion, from comforting soups and hearty stews to pasta dishes and one pot meals to delicious desserts and sweet treats. One of my favorite things about this cookbook is that it showcases the versatility of each recipe. For example, the Shrimp Scampi recipe can be adapted to use chicken instead of shrimp, or you can use gluten free pasta to make it a gluten free meal. The same goes for the other recipes in this book; they can be easily adapted to suit your taste preferences or dietary restrictions. Each recipe in this cookbook includes clear and concise instructions along with helpful tips and suggestions to make your cooking experience as stress free as possible.
