non fiction works with student selected titles Encouraging readers to deepen their comprehension by moving beyond the four corners of the text Planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genres Using modeling to enrich students writing skills in the prewriting drafting and revision stages Resisting the de emphasis of narrative and imaginative reading and writing Amid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students
