To So Few:

"So Few" David Masters, 2016-10-21 Originally published in 1941 this book is author David Masters historical account of the Royal Air Force's feats and accomplishments during the Second World War I count it a privilege to write with firsthand knowledge of these flying crusaders who are fighting a holy war to preserve Christendom and the lives and liberties of earth bound mortals They are the flower of Great Britain and the British Empire selected in the most scientific manner for the posts of honour which they have covered with so much glory None but the best will do and those who achieve their desire of becoming pilots and navigators and gunners and wireless operators in the Royal Air Force are in fact the finest specimens of young manhood who walk the earth young men whose physical fitness nervous control mental alertness and swift muscular reactions make them fit to command and man the giant bombers and handle the darting fighters they are the knights of the air whose prowess and sacrifice will conjure a new and nobler order out of the ruins created by Hitler and Mussolini No trouble has been spared to ensure the accuracy of these pages which reflect the glory of the Royal Air Force It may be taken that they are as authentic as any pages of official history *Never So Few* Tom T. Chamales, 2017-07-25 Set behind enemy lines in Burma this New York Times bestseller is easily one of the best novels to come out of World War II Los Angeles Times American soldiers and native Kachin troops battle Japanese forces behind enemy lines in the Burmese jungles But during the brutal campaign to gain territory in the unforgiving tropical landscape Captain Reynolds and his band of special operations soldiers and guerrilla fighters struggle to find self awareness and even love in the midst of the trials of combat One of the youngest officers to serve in Merrill's Marauders and OSS Detachment 101 precursors to the Green Berets and Central Intelligence Agency author Tom T Chamales brings an unparalleled level of authentic detail and raw intensity to this work of fiction based on his real life experience in the jungles of Southeast Asia *Never So Few* is an extraordinary and powerful book unflinching in its portrayal of wartime sacrifice and violence Kirkus Reviews starred The basis for the movie starring Frank Sinatra and Steve McQueen it offers dramatic exciting and concretely detailed accounts of battle action and joins the ranks of other classic war novels such as *From Here to Eternity* and *The Naked and the Dead* in bringing later generations to the frontlines and into the inner lives of the brave men who served The New York Times *So Few Come Out* Bob Hyslop, 2014-10-29 the 15th outing for Jonas Forbes as an enquiry agent finds him a married man After 14 years sorting out problems chasing villains and upsetting certain members of the good and the great he's still not got rid of that restless streak So Vanessa Long his girl Friday and now his wife watches helplessly as he jumps at the chance of helping Reverend Obasi whose son has gone missing unfortunately Emmanuel Obasi a newly qualified brain surgeon in London has run off to Nigeria then racked by a civil war with the secession of Biafra in 1967 Emmanuel's lover had gone off to use her nursing skills her help her Igbo people suffering from the effects of the war and Emmanuel followed her then he suddenly disappeared of course the UK Foreign Office expect Jonas to do a little job for them as Biafra slides to defeat but Jonas has other ideas the high

commission in lagos however has been warned about him by whitehall critics and won t cooperate to the point of hostility so jonas disappears into the war zone near owerri it s december 1969 and the nigerian federal army at last on the brink of victory doesn t welcome any intrusion which might disturb their strategy nor do their opponents fighting with their backs against the wall civilians are subjected to humiliation and violence from both sides and so obviously have little time for strangers standing both apart and above the battlefield is the ruthless shaidan as much a myth as reality waging his own hate filled campaign of atrocities against the nigerian government and its supporters Even so jonas does find some help but he just can t keep them with him as the federal net tightens on the last biafran resistance jonas falls into the hands of shaidan as he faces death it looks as if his mission has failed at home ds john wyatt his long time friend and vanessa can t even find out where he is let alone give him any help Even so the story isn t over yet as other minor characters such as a deserter from the federal army and a disgraced sergeant out to catch him have a part to play in the finale of an adventure which the reader may recognise eventually comes to be interpreted as three different scenarios this thriller is really dedicated to the little people the victims of one of the most disastrous conflicts in the 20th century it contains cruelty and heroism endurance and deceit it uses research into a war of such confusion that even today participants still argue about their roles and intentions

the Rhine and on to the heart of Germany *So Many Christians, So Few Lions* George Yancey, David A. Williamson, 2014-11-06 *So Many Christians So Few Lions* is a provocative look at anti Christian sentiments in America Drawing on both quantitative and qualitative research authors George Yancey and David A Williamson show that even though or perhaps because Christianity is the dominant religion in the United States bias against Christians also exists particularly against conservative Christians and that this bias is worth understanding The book does not attempt to show the prevalence of anti Christian sentiments called Christianophobia but rather to document it to dig into where and how it exists to explore who harbors these attitudes and to examine how this bias plays itself out in everyday life Excerpts from the authors interviews highlight the fear and hatred that some people harbor towards Christians especially the Christian right and the ways these people exhibit elements of bigotry prejudice and dehumanization The authors argue that understanding anti Christian bias is important for understanding some social dynamics in America and they offer practical suggestions to help reduce religious intolerance of all kinds **So Many Lions, So Few Daniels** Ray Comfort, 2023-03-14 Discover how to live fearlessly for Christ Like Daniel in Babylon Christians today are exiles in a hostile culture Every day we face the lions the easier road of moral compromise the lure of earthly wealth and influence the temptation to give in to our fears or our apathy Yet we are called to obey God rather than man and we need courage to do it Award winning apologist Ray Comfort wants to help you develop the fortitude to look into the mouths of lions without flinching trusting that God not only will bring you to the other side of the trial but is refining you through it This encouraging and practical book draws on inspiring stories from Scripture to help you identify the lions you face and build a strategy for combatting them recognizing that nothing catches God off guard and reminding you that by His power you have victory over the darkness For any believer who sometimes feels beaten down burned out or ready to give in this book offers a spiritual shot in the arm **Hispanic Women in Senior International Business Management: Why So Few?** ,2007 **Florists' Review** ,1903 *Surgery, Its Principles and Practice: History; surgical physiology; surgical pathology; infections; tumors; wounds* William Williams Keen, John Chalmers Da Costa, 1906 Belgravia ,1883 *The Nineteenth Century and After* ,1914 **Legislative Documents** New York (State).
