Noble Dogs Estelle Ross, 1922 **But It's Mine' Says Moon-Shiner** Michael L. Schuh, 2008-07-07 This is Mike s very unique book where he has the main character a Hillybilly moonshiner writing poetry Poems that portray the life he lives as well as the life style of his hillybilly friends He has many tales about his daily life his dog his cap and his gun and of cause his moonshine drinking and his very run down home which he is so proud to say But It s Mine YES It is all his but get the book then you will find that you are thanking him for sharing it **Whose Art is It?** Jane Kramer, 1994 *Whose Art Is It* is the story of sculptor John Ahearn a white artist in a black and Hispanic neighborhood of the South Bronx and of the people he cast for a series of public sculptures commissioned for an intersection outside a police station Jane Kramer telling this story raises one of the most urgent questions of our time How do we live in a society we share with people who are often by their own definitions different Ahearn s subjects were not the best of the neighborhood They were a junkie a hustler and a street kid Their images sparked a controversy throughout the community and New York itself over issues of white representations of people of color and the appropriateness of particular images as civic art The sculptures cast in bronze and painted were up for only five days before Ahearn removed them This compelling narrative raises questions about community and public art policies about stereotypes and multiculturalism With wit drama sympathy and circumspection Kramer draws the reader into the multicultural debate challenging our assumptions about art image and their relation to community Her portrait of the South Bronx takes the argument to its grass roots provocative surprising in its contradictions and complexities and not at all easy to resolve Accompanied by an introduction by Catharine R Stimpson exploring the issues of artistic freedom political correctness and multiculturalism *Whose Art Is It* is a lively and accessible introduction to the ongoing debate on

3 Maureen Reil,2013-11-28 Dear Santa I ve been a good girl all year especially to my sister who d made me lose weight before her wedding or I would not have been allowed to attend it And some people have a strict dress code at their nuptials but Alice insisted on a strict diet for the bridal party so as not to spoil the pictures by having a fatty in the main ones which were her words not mine so no offence big guy I have loved and done my best by my family my friends and most of all the special one who shares my soul my bed but not at my parents house for they won t allow it under their roof if we re not married And I don t mean my dog either when I mention bringing me joy beyond my expectations although he does matter hugely to me but I speak about the great love of my life being the one and only Harvey Brands so do ignore and excuse the happy tear stains on the ink I ve included a little wish list if you d care to look it over and perhaps find it in your generous heart to grant me at least one or two of them then I would be eternally grateful and believe in the magic of Christmas forever and a day 1 Please make my sister Alice be nice to me 2 Please make this upcoming year the best ever 3 Please make the following week dry and bright with cold not freezing to death weather 4 Please make this Christmas New Year a joyous occasion for everyone I know and respect 5 Please make everything turn out perfect if it is going to be my last Christmas at home 6 Please make this winter white wedding the stuff of dreams not nightmares 7 Please make my gift a spa retreat as I need it to relieve the stress of organising a wedding 8 Please make wishes 1 6 come true and I can live without the spa date if I really had to Thank you for taking the time to read my begging letter I fully understand why you didn t bring me a million pounds last time it was silly of me to think that you d carry that kind of ready cash on your person to deliver down the chimney which would make it dirty money when everyone knows you only carry toys and presents in that sack If I really want to win the lottery then I will have to buy a ticket like everyone else I suppose so here is to winning my fortune in the future cheers Yours faithfully Molly Compton age 30 XXX P S This is the third and final book in the Christmas Comedy Trilogy of British short novels and comes with warm wishes all round for a Happy Holidays and a peaceful New Year once again While
