woman a philanthropist and a corporate leader At their heart is a deep concern about frightening trends in our society the loss of direction the increase in both selfishness and loneliness the lack of concern for children and the elderly In response says Mohn we must commit ourselves to such principles as the preservation of traditional cultures amid the pressures of globalization the ethical education of children and love rooted in recognition of our common humanity The distance Liz Mohn has traveled in her own life mirrors the distance that all of society from individuals and families to large corporations must travel to remain forces for positive change in our new world In *The Heart of Business* Liz Mohn offers an equal measure of hope and an energizing spirit of renewal
