The Death of Ivan Ilyich and Other Stories Leo Nikolayevich Tolstoy,Lynn Solotaroff,Ronald Blythe,1981-03-01 The story of a worldly careerist a high court judge who has never given the inevitability of his death a passing thought But one day death announces itself to him and to his shocked surprise he is brought face to face with his own mortality The Death of Ivan Ilyich and Other Stories Count Leo Nikolayevich Tolstoy,Leo Tolstoy,2004-06 Death is finished he said to himself It is no more The Death of Ivan Ilych by Leo Tolstoy Illustrated Leo Tolstoy,2021-09-27 Ivan Ilyich lives a carefree life that is most simple and most ordinary and therefore most terrible Like everyone he knows he spends his life climbing the social ladder Enduring marriage to a woman whom he often finds too demanding he works his way up to be a magistrate thanks to the influence he has over a friend who has just been promoted focusing more on his work as his family life becomes less tolerable While hanging curtains for his new home one day he falls awkwardly and hurts his side Though he does not think much of it at first he begins to suffer from a pain in his side As his discomfort grows his behavior towards his family becomes more irritable His wife finally insists that he visit a physician The physician cannot pinpoint the source of his malady but soon it becomes clear that his condition is terminal Confronted with his diagnosis Ivan attempts every remedy he can to obtain a cure for his worsening situation until the pain grows so intense that he is forced to cease working and spend the remainder of his days in bed Here he is brought face to face with his mortality and realizes that although he knows of it he does not truly grasp it During the long and painful process of dying Ivan dwells on the idea that he does not deserve his suffering because he has lived rightly If he had not lived a good life there could be a reason for his pain but he has so pain and death must be arbitrary and senseless As he begins to hate his family for avoiding the subject of his death for pretending he is only sick and not dying he finds his only comfort in his peasant boy servant Gerasim the only person in Ivan s life who does not fear death and also the only one who apart from his own son shows compassion for him Ivan begins to question whether he has in fact lived a good life In the final days of his life Ivan makes a clear split between an artificial life such as his own which masks the true meaning of life and makes one fear death and an authentic life the life of Gerasim Authentic life is marked by compassion and sympathy the artificial life by self interest Then some force strikes Ivan in the chest and side and he is brought into the presence of a bright light His hand falls onto his nearby son s head and Ivan pities his son He no longer hates his daughter or wife but rather feels pity for them and hopes his death will release them In so doing his terror of death leaves him and as Tolstoy suggests death itself disappears The Death Ivan Ilych and other stories (riverrun editions) Leo Tolstoy,2022-03-17 How truth thickens and deepens when it migrates from didactic fable to the raw experience of a visceral

The Death of Ivan Ilyich and Master and Man Leo Tolstoy,2004-08-10 This new edition combines Tolstoy's most famous short tale *The Death of Ivan Ilyich* with a less well known but equally brilliant gem *Master and Man* both newly translated by Ann Pasternak Slater Both stories confront death and the process of dying In *Ivan Ilyich* a bureaucrat looks back over his life which suddenly seems meaningless and wasteful while in *Master and Man* a landowner and servant must each confront the value of the other as they brave a devastating snowstorm The quintessential Tolstoyan themes of mortality spiritual redemption and life's meaning are nowhere more movingly and deftly explored than in these two tales This unique
