My Long, Strange Journey Tom Oldoski, 2024-11-19 What is truth especially when it pertains to spirituality Aren't we all just living on faith while trying to navigate our soul journeys This book is one man's wrestling with the questions plaguing us all Who are we Why are we here Where is God in all of this And perhaps most essentially What is God and how should we relate to Him This is a book designed to spur thought and reflection It hopefully will spark loving conversations between friends in laws and outlaws No one has a monopoly on the truth we're all just seekers with whom God is relating individually If you like thought that colors a bit outside the lines then you might want to try this book on for size and travel a bit outside the box

A Horrible Experience of Unbearable Length Roger Ebert, 2022-05-24 More of the Pulitzer Prize winning film critic's most scathing reviews *A Horrible Experience of Unbearable Length* collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer Known for his fair minded and well written film reviews Roger is at his razor sharp humorous best when skewering bad movies Consider this opener for the one star *Your Highness Your Highness* is a juvenile excrescence that feels like the work of 11 year old boys in love with dungeons dragons warrior women pot boobs and four letter words That this is the work of David Gordon Green beggars the imagination One of its heroes wears the penis of a minotaur on a string around his neck I hate it when that happens And finally the inspiration for the title of this book the one star *Transformers Revenge of the Fallen* *Transformers Revenge of the Fallen* is a horrible experience of unbearable length briefly punctuated by three or four amusing moments One of these involves a doglike robot humping the leg of the heroine If you want to save yourself the ticket price go into the kitchen cue up a male choir singing the music of hell and get a kid to start banging pots and pans together Then close your eyes and use your imagination Roger Ebert's *I Hated Hated Hated This Movie* and *Your Movie Sucks* which gathered some of his most scathing reviews were bestsellers This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh

Heaven on Earth Michael Battle, 2017-02-23 Much of the literature on the book of Revelation paints a frightening apocalyptic vision of the end times Michael Battle offers an alternative look at Revelation in this new work seeing it instead as a hopeful call to bring heaven on earth Battle explores the problematic imagery found in Revelation before showing how similar problems play out in our contemporary world Battle sees Revelation as a guide that shows us that we can live out God's call for heaven on earth by living in community with one another as exhibited through the writings of Martin Luther King Jr Desmond Tutu Rowan Williams and Ubuntu theology He writes I seek to imagine in my particular Christian context how a view of heaven need not lead to culture wars and further excuses for oppressing others Heaven as envisioned by John of Patmos has much greater purpose

Noyes, 2014-08-13 Her journey of recovery from bipolar disorder and her insights are described in this book an autobiography of Carol Noyes When Carol went through mid life crisis in the spring of 2006 her world was turned upside down Carol was able to wean herself off drugs after over four years on psychiatric medications She found natural alternatives that effectively helped her to recover and to lead a productive life Carol believes that the current medical paradigm is inadequate and often unable to help individuals to heal and to bounce back Carol nearly died from a combination of the swine flu and lithium poisoning Her descent to the bottom of the metaphorical well provided the impetus for her to research non drug therapies These therapies along with faith hope and courage brought Carol back to a peaceful life Carol recounts her life and investigates the factors that precipitated imbalance She writes about her extraordinary experiences during expanded states of consciousness She also delves into the world of symbols and mythologies describing how they became poignant for her Carol calls her experience a time of spiritual awakening a time of developing self esteem learning to love herself and finding her true purpose She hopes that her insights will help others going through spiritual crisis Those interested in humanistic psychology personal growth and spirituality may find this book fascinating

Understanding Atonement Gary A. Fox, 2019-09-24 At some point in the Christian faith journey most people ask the question Why did Jesus die The most common answer is For my sins But what if Jesus died because of the sin of humanity not for individual sins It seems weirdly illogical for a God who is love 1 John 4:8 to demand a blood sacrifice to cover sin It is not what the Jewish sacrificial system supported either I hope that this book will help us understand that God loves us and will not forsake us Ever Forgiveness is about love not punishment
