Tomato Soup Recipe From Tomato Sauce:

The Tomato in America Andrew F. Smith, 2001 From the Americas to Australasia from northern Europe to southern Africa the tomato tickles the world's taste buds Americans alone devour more than twelve million tons annually of this peculiar fruit variously considered poisonous curative and aphrodisiacal In this first concerted study of the tomato in America Andrew F. Smith separates myth from historical fact beginning with the Salem New Jersey man who in 1820 allegedly attracted spectators from hundreds of miles to watch him eat a tomato on the courthouse steps the legend says they expected to see him die a painful death Later hucksters such as Dr John Cook Bennett and the Amazing Archibald Miles peddled the tomato's purported medicinal benefits The competition was so fierce that the Tomato Pill War broke out in 1838 The Tomato in America traces the early cultivation of the tomato its infiltration of American cooking practices the early manufacture of preserved tomatoes and ketchup soon hailed as the national condiment of the United States and the great tomato mania of the 1820s and 1830s The book also includes tomato recipes from the pre Civil War period covering everything from sauces soups and main dishes to desserts and sweets Now available for the first time in paperback The Tomato in America provides a piquant and entertaining look at a versatile and storied figure in culinary history *Low-Cholesterol Cookbook For Dummies* Molly Siple, 2022-09-01 Delicious easy recipes backed by the latest science on lowering cholesterol Low Cholesterol Cookbook For Dummies gives you the tools you need to make simple healthy meals for managing cholesterol More than 120 recipes including 40 that are brand new in this edition are here to fill your plate with delicious food that your taste buds and your heart will thank you for There's a ton of new science out there on cholesterol and this book brings you right up to speed with the latest studies and medical wisdom for managing your cholesterol with diet Relying on heart healthy foods on their own or in conjunction with a statin medication or as an alternative a low cholesterol diet can protect your ticker and thanks to these recipes can even impress family and friends Learn the basic principles of how diet affects your blood cholesterol Discover foods that give you important nutrients and special compounds for lowering cholesterol and preventing heart disease Find the right ingredients when shopping planning menus and adapting recipes to support your health and please family and friends Enjoy more than 120 easy to prepare recipes including breakfasts lunches dinners and desserts Anyone who wants to control cholesterol while eating well has a friend in Low Cholesterol Cookbook For Dummies Cooking with Nonna Rossella Rago, 2022-10-25 Get memorable quality time with your la bella famiglia as you cook your way course by course through a delicious Italian American Sunday dinner with Rossella Rago and Nonna Romana from the popular cooking show Cooking with Nonna Sunday dinner is not only a destination but the heart soul and palate of family life Sunday dinner is also the memory of times past when generations of our families gathered once a week to exchange news and stories share a traditional meal and catch up In Cooking with Nonna the care and technique handed down generation to generation is shared in loving detail so you can host memorable and delicious Sunday dinners for your family In Cooking with Nonna Sunday
