The Whole Truth James Scott Bell, 2009-05-26 At the age of five Steve Conroy saw his seven year old brother kidnapped from the very bedroom they shared His brother was never found And the guilt of his silence that night has all but destroyed Steve s life Now thirty years old with a failing law practice Steve agrees to represent convicted criminal Johnny LaSalle an arrangement sweetened by a lucrative retainer It s not long until he discovers that this con man might just be his missing brother Desperate for his final shot at redemption Steve will do anything to find the truth But Johnny knows far more than he s telling and the secrets he keeps have deadly consequences Now Steve must depend on an inexperienced law student whose faith seems to be his last chance at redemption from a corrupt world where one wrong move could be his last

No Legal Grounds James Scott Bell, 2009-05-26 How far will a man go to protect his family Attorney Sam Trask will go farther than he ever dreamed even in his worst nightmare Because his worst nightmare is about to come true At age forty seven attorney Sam Trask finally seems to have his life in order The dark years of too much drinking and all consuming ambition have given way to Christian faith His marriage is strong again Everything seems finally on the right track Then a voice from the past comes back to say hello Suddenly Sam faces a danger more real than he ever imagined danger from someone who will not rest until Sam s life comes crashing down around him Desperate Sam seeks protection from the law he s served all his life But when the threats are turned on his family and the law seems powerless to protect them Sam must consider a choice that strikes at the heart of his life and faith whether to take the law into his own hands

Breach of Promise/Presumed Guilty James Scott Bell, 2010-04-26 Presumed guilty Dallas Hamilton s perfect world is torn apart when her husband a rising superstar in the evangelical world is arrested for the murder of a porn star

Presumed Guilty James Scott Bell, 2009-05-26 Murder betrayal and a trial that feeds a media frenzy Can one woman stand against the forces that threaten to tear her family apart Pastor Ron Hamilton s star is rising His 8 000 strong church is thriving His good looks and charisma make him an exceptional speaker on family values And his book on pornography in the church has become an unexpected bestseller Everything is perfect Until a young woman s body is discovered in a seedy motel room The woman is a porn star And all the evidence in the murder points to one man Ron With the noose tightening around her husband s neck Dallas Hamilton faces a choice believe the seemingly irrefutable facts or the voice of her heart The press has already reached its verdict and the public echoes it But Dallas is determined to do whatever it takes to find the truth And then a dark secret from Dallas s past threatens to take them all down As the clock ticks toward Ron s conviction and imprisonment and an underworld of evil encircles her Dallas must gather all her trust in God to discover what really

happened in that motel room even if it means losing faith in her husband forever **Medical Persuasion** Vic

Velanovich, 2023-04-26 This unique book is a major contribution to the literature on persuasion in communication and on doctor patient communication in particular. Written by a physician scientist with deep experience on the topic, the book offers a comprehensive analysis of what makes an argument in medicine persuasive, outlining the characteristics of an argument that causes people to accept that the conclusion(s) of an argument are true. Although the book focuses on medical arguments in particular, the general approach offered by the author is appropriate for any informal argument. The central emphasis is that although sound logical construction and true premises are required to establish the logical truth of a conclusion, this is insufficient for persuasion to occur. Although formal logic can exist independent of human reception, real world arguments must have both an arguer, the individual constructing the argument, and an audience, individuals listening and evaluating the argument. Whether the audience is capable of changing their world view is as important as the logical construction of the argument, maintains the author. To illustrate all points, a plethora of examples in medical research and in diagnosis and treatment decisions are presented. *Medical Persuasion: Understanding the Impact on Medical Argumentation* is a unique contribution to the clinical literature and will be of immense interest to medical practitioners, researchers, and philosophers as a way of gaining insights into constructing arguments for their peers and patients. In addition, medical trainees will gain important insights in the production of medical knowledge and medical practices, and even students in the social sciences and humanities will find the work valuable as a conduit to gaining insight into the reception of an argument.
