A Writer's Life Gay Talese, 2007-07-10 The inner workings of a writer s life the interplay between experience and writing are brilliantly recounted by a master of the art Gay Talese now focuses on his own life the zeal for the truth the narrative edge the sometimes startling precision that won accolades for his journalism and best sellerdom and acclaim for his revelatory books about The New York Times The Kingdom and the Power the Mafia Honor Thy Father the sex industry Thy Neighbor s Wife and focusing on his own family the American immigrant experience Unto the Sons How has Talese found his subjects What has stimulated blocked or inspired his writing Here are his amateur beginnings on his college newspaper his professional climb at The New York Times his desire to write on a larger canvas which led him to magazine writing at Esquire and then to books We see his involvement with issues of race from his student days in the Deep South to a recent interracial wedding in Selma Alabama where he once covered the fierce struggle for civil rights Here are his reflections on the changing American sexual mores he has written about over the last fifty years and a striking look at the lives and their meaning of Lorena and John Bobbitt He takes us behind the scenes of his legendary profile of Frank Sinatra his writings about Joe DiMaggio and heavyweight champion Floyd Patterson and his interview with the head of a Mafia family But he is at his most poignant in talking about the ordinary men and women whose stories led to his most memorable work In remarkable fashion he traces the history of a single restaurant location in New York creating an ethnic mosaic of one restaurateur after the other whose dreams were dashed while a successor s were born And as he delves into the life of a young female Chinese soccer player we see his consuming interest in the world in its latest manifestation In these and other recollections and stories Talese gives us a fascinating picture of both the serendipity and meticulousness involved in getting a story He makes clear that every one of us represents a good one if a writer has the curiosity to know it the diligence to pursue it and the desire to get it right Candid humorous deeply impassioned a dazzling book about the nature of writing in one man s life and of writing itself

My Trust Fund Husband Luciana Contin,2007-04-27 Laura a female version of Fieldings Tom Jones did what she had to do with feisty unquenchable determination to attain her happy ending Be warned It is not a tale of virtue rewarded Its rather an honest faithfully detailed picturesque odyssey of a long walk on the wild side Thats what fascinated me This is how a woman walked her road following her instincts and wits There are women who live their lives outside the lines who seem to be the stuff of mens fantasies If you have wondered what their motivations are and whats in their hearts Lauras most intimate revelations will enable you to walk miles in her shoes That gorgeous woman vivaciously tossing her hair over a luscious meal in an outrageously expensive restaurant her slightly mismatched date devouring her with his eyes in anticipation Whats up there Find out for yourself The fast pace of the story and the quotes from familiar classics like Jane Ayre and the Doll House that precede each chapter

hinting whats next work well There are lots of travel stories and people anecdotes and the sense of a vivid acquaintance with a lively Italian family over decades And theres a great how it ended closure chapter about the men in her past If you can suspend yourself from judging Enough to appreciate this tales frankness there are many insights to be had here It seems to me this book could get some good discussions going especially between men and women or across generations **Dear Jon**
