Instant Friendship The INSTANT-Series, 2016-04-05 The Instant Series Presents Instant Friendship How to Make Friends Instantly It s the weekend finally You ve made it You ve been working long and hard all week and now you re ready to unwind Just as you re about to enjoy yourself that feeling of accomplishment turns into disappointment almost immediately as you get depressed Why is that It s because you have no friends You have no friends to call up on You have no friends to go out with or want to hang out with

YOU How come It could be because you never really were the extroverted social type growing up with the opportunity to develop your social skills you and your friends have grown apart due to time or new life priorities or perhaps you have just relocated without knowing anybody and have to rebuild your social circle from scratch As much as you would still like to go out you re afraid to go out by yourself feeling the dreaded social anxiety and from not knowing how to meet and make friends So rather than going out you stay in being glued to Netflix wasting time on Facebook looking at all the posted images of the wonderful nights others are having and wishing you could be a part of that Thus the real questions we should be asking Are you feeling sick and tired of being lonely not having anybody to hang out with Are you jealous of other people who always seem to have fun when they re out Are you secretly envious of the folks who always have exciting things to do with their friends If you ARE you can develop instant friendships now Within Instant Friendship How to determine your current friendability level in order to calibrate your social interaction in making friends How to meet new people and where to meet them with all the friendly tricks of the trade that you ll need How to cold approach random strangers and go from first meeting to progressing into a real friendship step by step How to be the social butterfly you always wanted to be to explode your social life exponentially to the next level How to maintain your friendships once they re established so all the effort put into them don t go to waste Plus custom practical how to strategies techniques applications and exercises on how to get friends and much more Now it s the time to STOP feeling like you re missing out on life trapped indoor to your loneliness while everybody else is out being social enjoying life and having memorable great times with their friends Experience that now Reclaim and live the good life now Time for you to make new friends

Longmans' School Composition David Salmon,1892

Visual Storytelling Todd James Pierce,Ryan G. Van Cleave,2016 Visual Storytelling combines the intrinsic high level of interest that young people have for graphic novels with the educational mission of the college English classroom Teachers particularly teachers of Freshman Comp and Freshman Sophomore Literature are faced with a significant challenge of presenting literature in a way that simultaneously Interests students Presents a model of literary evaluation Convinces students that such evaluation is important Leaves them room in which to develop their own model Encourages students to draft sophisticated responses in writing At the introductory college level many teachers struggle to create transformative and engaging classroom experiences within the limitations of traditional readers A graphic reader has the ability to open students to artistic and meaningful narratives narratives rich in character and culture that challenge advanced students and engage students resistant to traditional Composition assignments A graphic reader presents literature in such a way that students often experience a greater sense of comprehension and therefore participate more fully in class A graphic reader especially for a Composition classroom engages entry level students in the college experience and energizes them toward success A graphic reader can bring many benefits to the college classroom particularly the Freshman classroom and that these benefits can be used to market the book as distinct from the traditional Freshman reader Instead focusing only on

text based literacy a graphic reader can give extra attention to critical and visual literacies and promote critical literacy through its diverse and thought provoking subject matter Many graphic novels can be read in one sitting but the topics raised can spark discussions complex and relevant enough to last multiple classes These discussions provide an opportunity to investigate and analyze popular culture s representations of life experiences ethnic and cultural groups and historical events common themes in graphic texts Further the nature of the graphic text asks students to read between text and image to generate and answer questions about art especially the question of what constitutes literary merit life and the intersection s between the two
