Reading the Cozy Mystery Phyllis M. Betz,2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story s complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories portrayals of settings like the quaint English village reveal a more complicated society than meets the eye

Writing Bestsellers Kim Wilkins, Lisa Bennett, 2021-10-21 While the term bestseller explicitly relates books to sales commercially successful books are also products of individual creative work This Element presents a new perspective on the relationship between art and the market with particular reference to bestselling writers and books We examine some existing perspectives on art's relationship to the marketplace to trouble persistent binaries that see the two in opposition we break down the monolith of the marketplace by thinking of it as made up of a range of invested non-hostile participants such as publishing personnel and readers we articulate the material dimensions of creative writing in the industry through the words of bestselling writers themselves and we examine how the existence of bestselling books and writers in the world of letters bears enormous influence on the industry and on the practice of other writers

Extravagant Morphology Matthias Eitelmann, Dagmar Haumann, 2022-03-15 Taking extra vagans literally Lat wandering outside out of bounds this volume comprises nine case studies on extravagant morphology ranging from pattern extending derivational processes via theory challenging compounding processes to interface straddling morphosyntactic phenomena As a heuristic approach morphological extravagance captures word formation processes characterised by constraint violations interface phenomena as well as borderline phenomena not easily reconcilable with traditional postulates of morphological accounts In this regard the notion of extravagance allows for an exploration of rule bending language use both empirically and theoretically The volume makes a valuable contribution to studies on morphological variation which has only recently seen a renewed and growing interest in morphological phenomena that challenge morphological frameworks The volume is of interest to all researchers who seek to gain a broader understanding of the mechanisms and factors at work in morphological variation and who are interested in the reassessment of morphological theorising in light of empirical data

Creative Composition Danita Berg, Lori A. May, 2015 This book brings together contemporary authors and well respected creative writing instructors and theorists to explore ways creativity in composition may be encouraged in student writers The question in this anthology is not Can writing be taught but How can we inspire students to embrace the creative process no matter what they write

StrongHeart Jill Garner, 2024-07-02 For all parents who desire to raise a generation of kids with strong hearts Parenting It's the most important endeavor of our lives And there's no shortage of advice on how to raise kids But amidst the chatter of competing voices how do we sort the folly from the wisdom In StrongHeart author Jill Garner cuts through modern parenting myths and trends to deliver the bold truth about what it will take to raise the next generation Jill provides evidence based solutions for parents seeking to raise children of character who can overcome rather than succumb to a culture full of turmoil Jill focuses on the education of the heart as she shows parents how to Champion self respect rather than self esteem Replace happiness with deep lasting joy Instill a heart of gratitude that stifles innate selfishness Develop GRIT Guts Resilience Integrity and Tenacity Engrave other centeredness on kids hearts and more More than ever parents feel burdened

to raise kids who are brave resilient and kind This book enables us to see beneath the surface of our children s struggles to the heart attitudes that determine kids thoughts and actions This is an essential resource for parents grandparents and anyone who has a heart for cultivating in children a StrongHeart InkShard: A Compendium of Essays Eric Muss-Barnes,2019-06-16 InkShard is a compendium of articles and social commentary written by author Eric Muss Barnes between 2004 and 2018 Revised and expanded this volume assembles various topics culled from posts on social media websites to the scripts of video essays Carefully compiled from the finest of his journalistic work InkShard represents the definitive collection of Eric s most compelling dissertations and beloved editorials **Typewriter Century** Martyn Lyons,2021-02-02 As a vehicle for outstanding creativity the typewriter has been taken for granted and was until now a blind spot in the history of writing practices *The Multimodal Writer* Josie Barnard,2019-08-06 These are exciting times for creative writing In a digital age the ability to move between types of writing and technologies often at speed is increasingly essential for writers Yet such flexibility can be difficult to achieve and how to develop it remains a pressing challenge The Multimodal Writer combines theory practitioner case studies and insightful writing exercises to support writers tackling the challenges and embracing the opportunities that come with new media technologies Including interviews with a selection of internationally acclaimed authors such as Simon Armitage Robert Coover and Rhianna Pratchett this book equips writers with the tools to not just survive but rather thrive in an era characterised by fast paced change With its focus on writing across genres modes and media this book is ideal for students of creative writing professional writing media writing and journalism Navigating Social Journalism Martin Hirst,2018-10-17 Public trust in the once powerful institutions of the News Establishment is declining Sharing curating and producing news via social media channels may offer an alternative if the difficult process of verification can be mastered by social journalists operating outside of the newsroom Navigating Social Journalism examines the importance of digital media literacy and how we should all be students of the media Author Martin Hirst emphasizes the responsibility that individuals should take when consuming the massive amounts of media we encounter on a daily basis This includes information we gather from online media streaming podcasts social media and other formats The tools found here will help students critically evaluate any incoming media and in turn produce their own media with their own message This book aims both to help readers understand the current state of news media through theory and provide practical techniques and skills to partake in constructive social journalism Will Spook You For Real Christina Maria Huber,2018 Popular fiction can be more than feel good diversion Stories which are intended to entertain are uniquely suited to affect their recipients feelings or moods and tend to leave a more sustained impression than lectures or lists of facts It is hardly surprising therefore that story telling keeps on thriving in the 21st century with ever new media providing ever new space for narratives In Will Spook You For Real Huber examines a wide range of strategies used in fiction to trigger a specific emotion in the readers anxiety regarding the social constructs they live in and their specific positions within these

constructs Can we trust our neighbours Can we rely on our governments What do big corporations have in mind And what happens if I cannot conform to the role which has been assigned to me
