Dear Mr. Reynolds,

Please accept my enclosed application for the position of administrative assistant at ABC Consulting. Having read through your job description, I am thrilled to be applying for this position as my 6 years of experience and skill set match the requirements you're looking for.

At my current company, Redford & Sons, I am valued by the CEO and his staff as a critical support pillar for the team—keeping meetings, papers, travel arrangements, and office items organized at all times. I have spearheaded the effort to “go digital” for almost all planning and paperwork, increasing office efficiency to the point of saving \$3,000 per year in contracted labor expenses. Allow me to highlight three bullet points from my resume that I believe demonstrate why I am the perfect candidate for this position:

- Trained two administrative assistants during a period of company expansion, ensuring that they pay explicit attention to company policies and minute details;
