A Ironside,2017-10-31 In this work H A Ironside tackles E W Bullinger s so called Hyper Dispensationalism The word dispensation is found several times in the pages of our English Bible and is a translation of the Greek word oikonomia This word strictly speaking means house order It might be translated administration order or

stewardship In each successive age God gives to men of faith a certain stewardship or makes known to them a certain order or administration in accordance with which they are responsible to behave A dispensation then is a period of time in which God is dealing with men in some way in which He has not dealt with them before Only when a new revelation from God is given does a dispensation change Moreover there may be degrees of revelation in one dispensation all however having to do with a fuller unfolding of the will of God for that particular age This was very definitely true in the dispensation of law from Moses to Christ We have the various revelations of Sinai both the first and second giving of the law then added instructions during the wilderness years the covenant with David and the revelations given to the prophets The circumstances in which God's people were found changed frequently during this age of law but the dispensation itself continued from Sinai until Jesus cried It is finished It is important to have this in mind otherwise the vast scope of an ever unfolding dispensation may be lost sight of and one might get the idea that every additional revelation of truth in a given age changed the dispensation whereas it only enlarges it *Wrongly Dividing the Word of Truth* Henry Allan Ironside, SERVING AND WAITING., 1951

Rightly Dividing the Word Clarence Larkin, 2025-06-24 Study to show yourself approved to God a workman that needs not to be ashamed rightly dividing the word of truth 2 Timothy 2:15 kjv As a follow up to his highly successful and much sought after work Dispensational Truth Baptist minister Clarence Larkin wrote *Rightly Dividing the Word* to explain how the fundamental doctrines of the Christian faith should be rightly divided in a series of contrasts such as law and grace faith and works sin and salvation Larkin's aim was not to express his opinion or the thoughts of other writers but to present biblical concepts based solely on the Scriptures with chapter and verse given for every statement The Bible Larkin said is not a heterogeneous jumble of ancient history myths legends religious speculations and apocalyptic literature There is a progress of revelation and doctrine in it You cannot understand Leviticus without Hebrews or Daniel without Revelation The judges knew more than the patriarchs the prophets than the judges and the apostles more than the prophets While the Bible is written for everyone he maintained it is addressed to three classes of people Jews gentiles and the church Now including updated layout and illustrations for easier review this work is designed to fulfill the author's original intent to confirm in the Christian faith those who are wavering and to instruct those who have not been clearly taught the great cardinal doctrines
