Stephen E. Ambrose The Men of War E-book Box Set Stephen E. Ambrose, 2013-06-11 This ebook box set includes books by Stephen E. Ambrose that bring into focus the men and women who fought in World War II. *The Victors* A breathtaking work that follows the momentous events of the war from D Day through to the final days, centering this epic drama on the citizen soldiers, the boys who became men as they fought, proving eventually unbeatable. A compelling celebration of military genius and heroism and of camaraderie and courage. *Citizen Soldiers* A riveting account that follows the individual characters of World War II from the high command down to the ordinary soldier, drawing on hundreds of interviews to re-create the war experience with startling clarity and immediacy. From the hedgerows of Normandy to the overrunning of Germany, this is the real story of World War II from the perspective of the men and women who fought it. *Wild Blue* Following this exceptional band of brothers, the young men who flew the B-24s over Germany in World War II against terrible odds, Ambrose recounts their extraordinary brand of heroism, skill, daring, and comradeship with the vivid detail and affection. **Beyond the Civil War Hospital** Kirsten Twelbeck, 2018-07-15 *Beyond the Civil War Hospital* understands Reconstruction as a period of emotional turmoil that precipitated a struggle for form in cultural production. By treating selected texts from that era as multifaceted contributions to Reconstruction's mental adaptation process, Leslie Butler Kirsten Twelbeck diagnoses individual conflicts between the heart and the brain, only partly compensated for by a shared concern for national healing. By tracing each text's unique adaptation of the healing trope, she identifies surprising disagreement over racial equality, women's rights, and citizenship. The book pairs female and male white authors from the antislavery North and brings together a broad range of genres. *Darksome Love Stories of the Chinese Civil War, Book one The Long March* Cal Pflugrath, 2018-08 This historical fiction follows the exploits of three young women during China's Civil War, 1927 to 1951. All slaves at the time, the Socialists offer them equality and freedom. They travel among Communist formations, retreating six thousand miles across treacherous terrain, fighting in a conflict that consumed over fifty million lives. *Ontario Library Review and Book Selection Guide*, 1916 *Leo Tolstoy: The Complete Novels (The Greatest Novelists of All Time - Book 4)* Leo Tolstoy, 2023-12-24 In *Leo Tolstoy: The Complete Novels (The Greatest Novelists of All Time Book 4)*, readers are invited into the rich tapestry of human experience that Tolstoy expertly weaves through his expansive body of work. Beyond the Epic Gene D. Phillips,2006-11-24 Two time Academy Award winner Sir David Lean 1908 1991 was one of the most prominent directors of the twentieth century responsible for the classics The Bridge on the River Kwai 1957 Lawrence of Arabia 1962 and Doctor Zhivago 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism Beyond the Epic The Life and Films of David Lean uses screenplays and production histories to assess Lean s body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their

comments reveal new details about the director's life and career Phillips also explores Lean's lesser studied films such as *The Passionate Friends* 1949 *Hobson's Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean's approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry

Irish Novels 1890-1940 John Wilson Foster, 2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy *Irish Novels 1890-1940* is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a

literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland **Books Out Loud** ,2007
