Wow, I Want What They Have! Pastor K. Bruce Brown, 2022-12-22 We cannot relate to a spirit God a spirit Savior a spirit Uncle and a spirit enemy without embracing the spirit world This book coined the phrase Earth life Bias ELB to identify the enemy s work in our daily lives and illustrate how most believers just add our Abba Father as an accessory to this life instead of becoming citizens of Heaven and members of his Family This book illustrates how pervasive ELB is in every aspect of our lives without criticizing any person organization or denomination They all serve our Abba Father s purpose and all have Romans 10 in their Holy Bibles which shows us how to avoid the fiery pit The rest of the Scripture is about our relationships Esoteric knowledge of the Scripture is for scholars we need to apply it to our lives After revealing the ELB in our lives we explain how to escape it by embracing the supernatural divine spirit world and how the godly control system the heart mind spirit soul connection with the Holy Spirit Jesus and our Abba Father works With that foundation we show how build our faith relationships and marriages converting for better or worse to sanctified marriage with vows to our Abba Father to do it his way There is also a section on Daniel which brings our Abba Father into modern times explains what is taking Jesus so long to get here and answers a lot of questions about end times This section is work but it is a giant faith builder as you will see But regardless of where we worship we are individually responsible for own relationship with our Abba Father and this book will help any believer grow their faith and experience the full joy peace and glory our Abba Father created for us
