Masset,2020 All the signs were there Gaps in my childhood memory toxic adult relationships and addictions I had a good job money in the bank but I was not happy I felt stuck and I did not know what to do to break free Something is seriously wrong with me and I needed to know the truth A quest for answers led me to write down the flashes that kept haunting me When I tried to verify some details with my mother she stone walled me I knew there was more to it and I became determined to see this through Turning my life around resulted in selling the house and moving overseas The space I created allowed me to sit down and put pen to paper While writing down deep dark repressed memories more details slowly flooded back in I started to make sense of the retrieved information but the answers I was looking for had presented a new challenge I lived to tell the story I owe them that much The Dove and the Dragon Ed Simon,2025-08-12 No Western religious concept has been as socially culturally economically and politically significant as that of the apocalypse Neither heaven and hell nor sin and salvation nor even God and the devil have merited the attention of billions of people in the manner that belief in the end of the world has Apocalyptic thinking is riven by a fruitful and at times dangerous binary between the hopes for a coming millennium when all shall be perfected or of a fiery deluge when the earth shall be destroyed The Dove and the Dragon is the first comprehensive history of Western apocalypticism Ed Simon introduces a new system for classifying movements concerned with the end of history between hopeful millennial doves and violent apocalyptic dragons This framing connects a seemingly disparate phenomenon from medieval millennialism to modern Marxism Reformation apocalypticism to contemporary techno utopianism Expected groups are considered but unexpected phenomena are interpreted through the lens of apocalypticism as well to argue that those that have often been classified as secular still take part in this ancient theological category This new way of interpreting history gives sense to the full scope of apocalypticism as a series of movements and as a genre including not just religion and theology but politics philosophy and pop culture as

well The Dove and the Dragon promises to be the standard introduction for years to come **The Resurrection and Immortality** William West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment New Beginnings James H.
