

5th Grade Book Report Format

Introduction (2-3 sentences, including a "topic" sentence)

Include:

The title (underlined) and author of the book

Why you chose the book (if this applies) or how it fits into our history program this year (if this applies).

What kind of story is it?

- o **Fiction** (made up): Fantasy, Science fiction, Realistic fiction, Historical fiction, Mystery, or Traditional Literature (folktale, myth, fable, fairytale)?
- o **Non-Fiction** (true) Narrative nonfiction, Biography, Expository nonfiction, or Informational?

Body (1-2 paragraphs supporting topic and including the following):

In this section you want to describe the main parts of a story: theme, setting, characters, and plot (not necessarily in that order - paragraph 1). Then you give your opinions about the book (paragraph 2).

The Theme is the main idea of the story. Some examples might be the importance of friendship/hope/honesty/integrity/etc. or how to be courageous in a difficult situation. Tell what you think the theme is and how you know (example from the book).

The Setting is the time and place of the story. Is it set a long time ago or now? Does it take place in another country or in an imaginary place? How much time passes in the story – a day? a year? A lifetime?

The Characters are who the story is about. The main character is called the protagonist. Who are the other important characters? Do they help or hinder the protagonist?

The Plot is what happens. You want to briefly tell what the story is about. What is the main event or conflict? What things lead up to it? What happens as a result? How does the story end?

Be careful not to re-tell the whole story in detail – you want room in your report to write about other things; instead, just say enough about it to demonstrate you read/understand the book, and so the rest of your report will make sense. One paragraph should be about right!

Once you have summarized the book, you can **tell what you think about it!** Select 2-3 questions from below to answer with examples/supporting reasons from the book:

Unacceptable Expectations James A. Gauthier J.D., 2015-01-23 Exceptional students become exceptional teachers Rachel achieved her masters degree in education and became a certified teacher at age 17 Rachels first interview with the teachers union placed her on notice that she was a link in a curriculum driven education program She was to teach her grade level curriculum only and never bring attention upon herself or her peers Conformity was the rule and mediocrity was the goal Rachel refused the unions demand to conform and motivates her students to become exceptional and exceed grade level expectations The more successful Rachel is in her classroom the more the push back by the teachers union to return her to mediocrity Conflict between Rachel and the union results in the union poisoning Rachel falsely accusing her of abusing a student false drug violations on school property and ultimately the loss of her left leg as the union seeks to stop Rachels desire to help her students become exceptional Learn how Rachel fights back and creates the Sinclair Academy a private educational system that the union has no control over No longer does the union want to stop Rachel from promoting accelerated learning now the union wants her 2 500 teachers to join the teachers union See how far the teachers union will go in an attempt to force union membership and what a young tenacious teacher will do in saying No
