
Use of Force Report Writing Guide

The Constitutional Standard for Use of Force

The U.S. Supreme Court case of Graham v. Connor, 491 U.S. 384 (1989), established "Objective Reasonableness" as the standard for all applications of force in United States. This guide is designed to assist officers in articulating the facts of a Use of Force incident in accordance with the guidance provided in Graham. Remember, all Use of Force applications are judged based upon:

- ☐ The totality of circumstances
- ☐ From the perspective of a reasonable officer
- ☐ On the scene
- ☐ At the point force was used
- ☐ Without 20/20 hindsight
- ☐ In circumstances that are tense, uncertain and rapidly evolving

The court specified four specific factors, sometimes referred to as the Graham factors, which assist in determining reasonableness. Although not required, nor all inclusive, articulating these factors provides a good framework for justifying a particular Use of Force. The factors are:

- ☐ The severity of the crime
- ☐ Whether the subject was an immediate threat to the officer or others
- ☐ How the subject was actively resisting arrest (seized)
- ☐ How the subject was attempting to evade arrest by flight

Other Articuable Facts

The following list represents facts, which if present, may assist in justifying a particular Use of Force. It is not intended to be all inclusive.

- ☐ The number of suspects vs. the officers involved (availability of back-up)
- ☐ The exact indicators (be specific...describe the subject's actions and statements)
- ☐ Size, age, and physical condition of the officer and suspect
- ☐ Known or perceived physical abilities of the suspect (i.e. known Mixed Martial Artist)
- ☐ Previous violent or mental history. Access to the officer at that time
- ☐ Perception of the use of alcohol or drugs by the subject
- ☐ Perception of the suspect's mental or psychiatric history based on specific actions
- ☐ The availability and proximity to weapons
- ☐ Environmental factors (night, day, snow, ice, heights, heat, terrain, etc.)
- ☐ Injury to the officer or prolonged duration of the incident
- ☐ Officer on the ground or other unfavorable position
- ☐ Characteristics of being armed (i.e. bulges, adjustment of clothing, "security touch")

Writing A Use Of Force Report

R.T. Wyant, Thomas Burns

Writing A Use Of Force Report:

The SAGE Guide to Writing in Corrections Steven Hougland, Jennifer M. Allen, 2019-12-02 As part of the SAGE Guide to Writing series The SAGE Guide to Writing in Corrections 1e by Steven Hougland and Jennifer Allen focuses on teaching students how to write in the academic setting while introducing them to a number of other professional writings specific to the correctional profession such as the pre sentence investigation report contact sheets court status reports incident reports rehabilitation and therapy Covering correctional institutions as well as community corrections the goal is to interweave professional and technical writing academic writing and information literacy with the result being a stronger more confident report writer and student in corrections This text will be a concise supplemental writing book in courses focused on writing in the criminal justice discipline report writing or in introductory corrections courses It is part of a series of books on this topic that will span criminal justice policing corrections and research methods *Force Reporting for Every Cop* Thomas Williams, 2006 Every police officer faces the likely possibility of confronting a violent resisting suspect that will require the officer to use force The failure to accurately and comprehensively document such an incident could end an officers career *Force Reporting for Every Cop* provides police officers with the tools they need to prepare comprehensive use of force reports that will stand up in court and internal investigations This book includes detailed background information that will increase the level and quality of an officers reporting as well as a thorough explanation of the documentation required to prove proper field conduct **It Did Happen: A Police Officer's Guide to Successful Report Writing** Jamie M.

Calise, 2024-10-11 If it s not in the report it didn t happen This law enforcement adage has stood the test of time for a reason With calls for greater transparency in the criminal justice system and technology revolutionizing how information is shared police reports have taken on new life in today s law enforcement world For most new officers learning how to write a report starts with learning what to write Make no mistake a quality investigation is the foundation of a successful police report By exploring the critical interplay between investigating and writing *It Did Happen A Police Officer s Guide to Successful Report Writing* examines case development and narrative construction from the ground up As it does it analyzes different categories of police reports and reviews the legal standards and procedural rules that officers regularly encounter Along the way it contrasts mandatory and discretionary reporting and discusses how computer aided dispatch systems can serve as valuable investigative resources Finally this book recognizes that police reports are the foremost tool for communicating the facts and circumstances that guide an officer s decisions Whether you attend the police academy take a criminal justice course or work in the security field this book offers several strategies to enhance your report writing skills **BUILDING CONFIDENCE In the NEW CORRECTION OFFICER 115 tips and strategies** Sonya Davis-Roberts, 2013-11 Sonya Davis Roberts began her career as a Correction Officer in 1990 when she was assigned to the George Motchan Detention Center C 73 In 1992 she was transferred to the West Facility and worked there until she was appointed as an Investigator in the Investigation Division

She worked as an Investigator for six years including the sick leave unit and as an absconder In 1999 she was assigned to Elmhurst Hospital where she worked for six years before she was promoted to Captain She was assigned to the North Infirmary Command until she retired in November of 2010 She began writing shortly after her retirement Today she is an Author and Screenwriter

Police Use of Force Through the Lens Mike R. Knetzger,2025-02-27 *Police Use of Force Through the Lens* provides a comprehensive look at video recorded use of force incidents and how video influences perceptions about the appropriateness of the force used No other book on the market takes a historical critical and contemporary look at how video footage from dash cameras body worn cameras surveillance cameras or handheld cameras influence how people perceive the appropriateness of force used by law enforcement officers correctional officers and security officers Supported with academic sources along with practical examples that connect academics to the real world the book educates readers about the history of cameras in law enforcement significant events that influenced the proliferation of cameras in law enforcement how use of force incidents are evaluated how camera factors influence perceptions and how human factors can impact how officers perceive and recall what occurred during use of force incidents A thorough discussion of the benefits and disadvantages of cameras including how camera perspectives can be misleading and incomplete challenges the presumption of the objectiveness of video and posits a systematic framework to help evaluators or viewers of video recorded use of force incidents arrive at more objective conclusions

Report Writing for Security Personnel Christopher A. Hertig,Gary E. Bittner,2016-06-06 Report Writing for Security Personnel *The Professional Protection Officer* Sandi J. Davies,Lawrence J. Fennelly,2019-12-04 Eight previous iterations of this text have proven to be highly regarded and considered the definitive training guide and instructional text for first line security officers in both the private and public sectors The material included in the newest version covers all the subjects essential to the training of protection officers This valuable resource and its predecessors have been utilized worldwide by the International Foundation for Protection Officers since 1988 as the core curriculum for the Certified Protection Officer CPO Program The Professional Protection Officer Practical Security Strategies and Emerging Trends provides critical updates and fresh guidance as well as diagrams and illustrations all have been tailored to the training and certification needs of today s protection professionals Offers trainers and trainees all new learning aids designed to reflect the most current information and to support and reinforce professional development Written by a cross disciplinary contributor team consisting of top experts in their respective fields

Report Writing for Criminal Justice Professionals Larry S. Miller,John T. Whitehead,2010-11-24 So much of the process of criminal justice depends on good documentation and criminal justice professionals can spend as much as 50 75% of their time writing up administrative and research reports Much of the legal process depends on the careful documentation that records crucial information And yet most of these law enforcement security corrections and probation and parole officers have not had adequate training in how to provide a well written

accurate brief and complete report Report Writing for Criminal Justice Professionals provides practical advice on report writing with specific writing samples and guidelines The authors go beyond the routine English grammar approach to deal with the difficult but often ignored problem of documentation that will hold up in court Important concepts are emphasized with related checklists forms and pull out chapter tests The material is organized into three sections The Nature of Report Writing The Mechanics of Report Writing and The Modernization of Report Writing NEW TO THIS EDITION Updated and revised with new material on forensics and scientific reports crime reporting common errors in forensic reports and automation of report writing Appendixes are thoroughly revised with new examples of reporting forms worksheets and reports including a sample forensic lab report and presentence investigation report Text complemented by numerous examples sample reports and tools Each chapter concludes with a sample test for the reader to self evaluate learning Appendixes include model reports examples of agency instructions for completing report forms and selected readings

Internal Investigation Frank A. Colaprete, 2007 Throughout the history of law enforcement the internal investigation process has held the most negative connotation of any investigation conducted by law enforcement personnel As we progress through the new millennium the need for efficient and effective law enforcement services and practices grows ever more critical The goal of this book is to demonstrate this need for proper and complete internal investigations and to teach the entry level and tenured police supervisor the form and function of the internal investigations process The text selectively focuses on the purposes and practical implications of internal investigations and the pitfalls The goal is to guide students and professionals through definitions terminology legal and labor issues case law techniques and procedures critical and special investigations including issues in administrative and civil claims The reader will find a model for conducting internal investigations of police personnel that will allow a police supervisor or commander to perform investigations in a thorough ethical legal and equitable manner This book will meet the needs of attorneys who litigate cases involving allegations of police misconduct as well as representatives of collective bargaining groups who represent police personnel in similar actions The text ends with the offering of evidence identification evaluation and collection case review processes risk management training and managing internal investigators and the future trends in internal investigations Federal Reports on Police Killings U.S. Department of Justice, 2017-06-27 After a series of incidents in which police officers in Chicago Cleveland Baltimore and Ferguson Missouri killed four unarmed African Americans Laquan McDonald Tamir Rice Freddie Gray and Michael Brown resulting in widespread civic unrest and violent protests the Department of Justice launched investigations into each incident including in depth probes into the police departments behind them This is the complete and unexpurgated text of their findings *Measuring what Matters* Robert H. Langworthy, 1999 **Moral Uncertainty** Bob Almond, Dorothy Bailey, Kathleen Neumeyer, 2017-04-11 **Defensive Tactics for Today's Law Enforcement** Stephen K. Hayes, Joe Niehaus, 2016-11-30 Few of the many defensive tactics books on the market include the

training and methods of martial arts Drawing on the centuries old techniques of Ninjutsu Defensive Tactics for Today s Law Enforcement offers alternatives to the traditional police defensive tactics taught to most officers This text stresses relying on natural tendencies in a violent encounter to ensure officer safety and to better utilize the techniques and training officers do receive By integrating existing training with martial arts expertise Defensive Tactics provides officers access a full complement of techniques to better navigate physical conflict safely and effectively Intended for law enforcement practitioners as well as practitioners of any other professions that present a personal security risk Defensive Tactics for Today s Law Enforcement will better equip readers with a diverse range of defensive tactics

Evaluating Police Uses of Force Seth W. Stoughton, Jeffrey J. Noble, Geoffrey P. Alpert, 2021-02-01 Provides a critical understanding and evaluation of police tactics and the use of force Police violence has historically played an important role in shaping public attitudes toward the government Community trust and confidence in policing have been undermined by the perception that officers are using force unnecessarily too frequently or in problematic ways The use of force or harm suffered by a community as a result of such force can also serve as a flashpoint a spark that ignites long simmering community hostility In Evaluating Police Uses of Force legal scholar Seth W Stoughton former deputy chief of police Jeffrey J Noble and distinguished criminologist Geoffrey P Alpert explore a critical but largely overlooked facet of the difficult and controversial issues of police violence and accountability how does society evaluate use of force incidents By leading readers through answers to this question from four different perspectives constitutional law state law administrative regulation and community expectations and by providing critical information about police tactics and force options that are implicated within those frameworks Evaluating Police Uses of Force helps situate readers within broader conversations about governmental accountability the role that police play in modern society and how officers should go about fulfilling their duties

Risk Management of Less Lethal Options R.T. Wyant, Thomas Burns, 2014-04-28 Force used to quell out of control demonstrations or detain unruly individuals can result in litigation and bad press for law enforcement agencies Injury or loss of life can best be avoided if agencies have accurate knowledge and proper training in less lethal options Risk Management of Less Lethal Options Evaluation Deployment Aftermath and

The New World of Police Accountability Samuel E. Walker, Carol A. Archbold, 2018-12-12 Completely revised to cover recent events and research the Third Edition of The New World of Police Accountability provides an original and comprehensive analysis of some of the most important developments in police accountability and reform strategies With a keen and incisive perspective esteemed authors and policing researchers Samuel Walker and Carol Archbold address the most recent developments and provide an analysis of what works what reforms are promising and what has proven unsuccessful The book s analysis draws on current research as well as the President s Task Force on 21st Century Policing and the reforms embodied in Justice Department consent decrees New to the Third Edition The national crisis over police legitimacy and use of force is put into context through extensive discussions of recent police shootings and the response to

this national crisis providing readers a valuable perspective on the positive steps that have been taken and the limits of those steps Coverage of the issues related to police officer uses of force is now the prevailing topic in Chapter 3 and includes detailed discussion of the topic including de escalation tactical decision making and the important changes in training related to these issues An updated examination of the impact of technology on policing including citizens use of recording devices body worn cameras open data provided by police agencies and use of social media explores how technology contributes to police accountability in the United States A complete up to date discussion of citizen oversight of the police provides details on the work of selected oversight agencies including the positive developments and their limitations enabling readers to have an informed discussion of the subject Detailed coverage of routine police activities that often generate public controversy now includes such topics as responding to mental health calls domestic violence calls and police stop and frisk practices Issues related to policing and race relations are addressed head on through a careful examination of the data as well as the impact of recent reforms that have attempted to achieve professional bias free policing

The Protection Officer Training Manual IFPO,2003-09-26 This revised edition retains the exceptional organization and coverage of the previous editions and is designed for the training and certification needs of first line security officers and supervisors throughout the private and public security industry Completely updated with coverage of all core security principles Course text for the Certified Protection Officer CPO Program Includes all new sections on information security terrorism awareness and first response during crises
