

An Overview Of My Family History

In this essay I am going to explain my family history. It is almost a tradition to go into the army, or into different areas related to that, like the Marines, in my family. My uncle, my mother's father, my great grandfather, and the father before that were all in areas like this.

My great grandfather Robert William Smith Jr. was born in 1927 in Nebraska. He contributed to the second world war. The Second World War, or World War 2, was a time of great destruction. The Holocaust was going on at this time. Hitler was in power and was trying to wipe out an entire race of people, the Jews. My grandfather did not so much as battle during this time, but was an engineer for the army. He kept this job until he decided to change to a private consultant in the same field. He married my great grandmother, Mary Elda Dryer on June 19, 1953.

Mary Elda Dryer was born in Dallas, Texas in 1930, and later moved to Houston to retire with her husband. Their religion was Protestant. A Protestant is a Christian who belongs to the branch of the Christian church that separated from the Catholic church in the sixteenth century. They were happily married and had three children Linda, Janette, and Donald Smith. Janette was the middle child, Donald being the oldest. Janette Smith, my grandmother, was born in Houston, Texas in 1957. Because these children grew up with a father was in the military, the family was always moving. The three siblings were very close because of this. They mostly grew up in Houston but they moved to New York, France, Holland, California, and then back to Texas. Janette's religion was Assembly of God. The Assembly of God is a congregation belonging to a Pentecostal Body founded under the influence of the Holy Spirit.
