

HOW TO WRITE A PERSONAL ESSAY

1

Start with an engaging opening sentence

Open your essay with an introductory section that will be engaging and interesting for your reader.

2

Write from your unique point of view

In contrast to other types of essays, writing from your perspective or in your unique manner is welcomed.

3

Take the characters into account

Be sure to describe your characters from all angles.

4

Shed light on a deep truth

Discuss your background experience with honesty and curiosity. Don't be afraid to uncover a hidden truth or a truth you did not know was there at the time

Klaus,2010-04-15 In this first book length study of the personal essay Carl Klaus unpacks the writer s

made up self and the manifold ways in which a wide range of essayists and essay have brought it to life By reconceiving the most fundamental aspect of the personal essay the I of the essayist Klaus demonstrates that this seemingly uncontrived form of writing is inherently problematic not wilfully devious but bordering upon the world of fiction He develops this key idea by explaining how structure style and voice determine the nature of a persona and our perception of it in the works of such essayists as Michel de Montaigne Charles Lamb E B White Virginia Woolf James Baldwin George Orwell Joan Didion Richard Rodriguez Alice Walker and Leslie Marmon Silko *The Complete Personal Essays of Robert Louis Stevenson* Trenton B. Olsen, 2021-05-19 For all of Robert Louis Stevenson's achievements in fiction many of his contemporaries thought of him primarily as an essayist His essays known for their intellectual substance emotional force and stylistic vitality were widely considered the best of their time Despite the importance of Stevenson's nonfiction his personal essays 70 in total have never been printed together in a single volume until now Stevenson's essays explore a range of topics from illness and evolution to marriage and dreams and from literal and literary travel to the behavior of children and the character of dogs Grappling with many of the cultural ethical and existential questions of his age he resists dogma to draw fresh conclusions Stevenson examines beggars and university students immigrants and engineers invalids and nurses outlining his own colorful life story and unique approach to the art of living along the way Whereas the most common and widely available versions of these texts were modified after Stevenson's death this volume gathers his personal essays many of which have never appeared in any modern edition in their authorized versions These essays are still considered classic models of the form and in this volume the Editor presents them alongside an introduction and notes to assist in a rereading and reappraisal that is long overdue
