The Lutheran World Almanac and Annual Encyclopedia for 1921- ,1921 **Crisis in Lutheran Theology, Vol. 3** John Warwick Montgomery,2020-06-17 All Three volumes deal with the issue of biblical inerrancy that the Bible is completely true and accurate not only when it speaks to ideas of religious belief but also when it speaks about factual elements of history and science properly understood This issue rocked the Lutheran Church Missouri Synod back in the late 1960s and early 1970s prompting the release of the first two volumes Volume one consists of essays by John Warwick Montgomery himself and is addressed primarily to theologians Volume two consists of an anthology by eight separate Lutheran contributors and is addressed to laymen as well as professional theologians Volume 3 contains new never before published material and consists of essays by Dr Montgomery outlining a new challenge along the same lines Dr Jeffery Kloha suggested a few years ago with the latest critical edition of the New Testament Nestle Aland 28th Edition because of the interchangeability of some variant readings that we now had a plastic text Dr Montgomery goes up against this assertion with everything he has Though obviously addressing themselves primarily to Lutheranism the materials are to a large degree equally applicable to many of the other Christian communions and will be found to be extremely valuable in assessing the needs of a variety of denominations
