War And Diplomacy In Kashmir 1947 48 Sage Classics:

War and Diplomacy in Kashmir, 1947-48 C Dasgupta, 2002-03-19 Based on declassified documents the book throws new light on the roles played by Mountbatten and the British service chiefs in the Kashmir war of 1947 48 and explains why India took the Kashmir issue to the UN why it did not carry the war into Pakistan and why it accepted a ceasefire Examining archival material that has not been looked at previously and attempting an important reassessment of Mountbatten's role the book highlights the fact that India's first Governor General was not a mere constitutional figurehead The book shows that he used and abused this authority to ensure that the conflict in Kashmir did not escalate into a full scale inter dominion war A study of British policy in Kashmir must begin with an examination of the strategic interests of Britain in the subcontinent The book explains the diplomatic background to the military developments of the time tracing the evolution of British policy on Kashmir and its orchestration of the moves of western powers in the Security Council The book provides details from the British archives about the secret understandings between Commanders in Chief of the rival armies to contain the conflict It reveals for instance that India's Commander in Chief General Bucher had tried as early as March 1948 to negotiate an informal truce with his counterpart in Pakistan without the knowledge of the Indian government A revealing study about a controversial incident in India's military history this is a timely book especially in the post Agra Summit period This book analyses The Evolution of British policy towards Kashmir The role played by the western powers in the Security council The secret attempt made by General Bucher to negotiate an informal truce with his counterpart in Pakistan How Mountbatten used and abused his authority to ensure that the Kashmir issue did not escalate into a full scale inter domain war

Pekkanen, John Ravenhill, Rosemary Foot, 2014 This Handbook examines the theory and practice of international relations in Asia Building on an investigation of how various theoretical approaches to international relations can elucidate Asia s empirical realities authors examine the foreign relations and policies of major countries or sets of countries **Indian Books in Print** ,2003 Books in Print Supplement ,2002 The Kashmir Conflict Rakesh Ankit, 2016-06-17 This book presents a study of the international dimensions of the Kashmir dispute between India and Pakistan from before its outbreak in October 1947 until the Tashkent Summit in January 1966 By focusing on Kashmir s under researched transnational dimensions it represents a different approach to this intractable territorial conflict Concentrating on the global context s in which the dispute unfolded it argues that the dispute s evolution was determined by international concerns that existed from before and went beyond the Indian subcontinent Based on new and diverse official and personal papers across four countries the book foregrounds the Kashmir dispute in a twin setting of Decolonisation and the Cold War and investigates the international understanding around it within the imperatives of these two processes In doing so it traces Kashmir s journey from being a residual irritant of the British Indian Empire to becoming a Commonwealth embarrassment and its eventual metamorphosis into a security concern in the Cold War climate s A princely state of exceptional geo strategic location complex religious composition and unique significance in the context of Indian and Pakistani notions of nation and statehood Kashmir also complicated their relations with Britain the United States Soviet Union China the Commonwealth countries and the Afro Arab Asian world This book is of interest to scholars in the field of Asian History Cold War History Decolonisation and South Asian Studies **Kashmir in Conflict** Victoria Schofield, 1996 Why has the valley of Kashmir famed for its beauty and tranquillity become a major flashpoint threatening the stability of a region of great strategic importance and challenging the integrity of the Indian state This book examines the Kashmir conflict in its historical context from the period when the valley was an independent kingdom right up to the struggles of the present day Located on the borders of China

Central Asia and the Sub Continent the insurgency in the valley has also created serious tensions between India and Pakistan Drawing upon research in India and Pakistan as well as historical sources this book traces the origins of the state in the 19th century and the controversial sale by the British of the predominantly Muslim valley to a Hindu Maharaja in 1846 Through an exploration of the implications for Kashmir of independence in 1947 it gives a critical account of why for Kashmir self determination may seem a more attractive option than affiliation to a larger multi racial whole Bloomsbury Publishing

The Kashmir and Northern Area War of 1947-48 Agha Humayun Amin, 2013-12 History is made by those who seize fleeting opportunities in the critical time span in any particular situation and relentlessly execute their plans without second thoughts subduing inner fears overcoming procrastination and vacillation and above all by those who are propelled by the burning desire to defeat the enemy rather than any half hearted judiciousness and timidity Ninety years of loyalism and too much of constitutionalism had however made the Muslims of 1947 slow in taking the initiative and too much obsessed with consequences of every situation This attitude was excellent as long as the British were the rulers but not for a crisis situation in which geography time and space alignment of communications and weather temporarily favoured Pakistan in case initiative and boldness was exercised and simple but audacious plans were executed in the shortest possible time Today it is fashionable to blame the Indians Mountbatten Gracey etc as far as the 1947 48 War is concerned A dispassionate study of the events of 1947 48 clearly proves that victory was closer in 1947 than ever again as far as the Pakistan Army was concerned Opportunities were lost because very few people who mattered at any level apart from Mr Jinnah Brigadier Akbar Khan and some others were really interested in doing anything The 1948 war was fought over the Muslim majority state of Kashmir ruled by a Hindu ruler who did not want to accede to Pakistan The specific sole and immediate aim of this chapter is to briefly analyse the 1948 war and to explain why Pakistan failed to achieve what was within its grasp and why the Indians despite their overall material superiority could not achieve as much as they should have done The morality of Kashmir dispute and who is morally right is beyond the scope of this book except the simple point that as far as the broad mechanics of the philosophy governing the partition of India was concerned i e division of India on a communal basis and as Non Muslim and Muslim India Kashmir should have been a part of Pakistan There are detailed accounts of the Kashmir Dispute and whole books have been dedicated to it a reader interested in this dispute should study those books So we shall directly move on to the exact discussion of military mechanics of the 1948 war Theoretically a Princely state could join any state i e India or Pakistan or stay independent The British policy in this regard was not precise A Princely State could join one of the two states i e India or Pakistan with regard off course to physical propinquity The choice of country was left entirely to the rulers of the princely states As far as physical propinquity was concerned the state of Kashmir had all road rail and river communications with Pakistan and none with India As far as the sentiments of the population were concerned everything indicated that they did not certainly want to join Hindu majority India The ruler Hari Singh was not inclined to joining

Pakistan In the third week of August 1947 the Kashmir State Force opened fire on a political meeting at a village near Dhirkot in Poonch district On 24 August 1947 the Muslims of the area started a small rebellion under Qayyum Khan an ex sepoy from the army Other similar rebellions of small scale broke out in various parts of the state and the state forces were soon dispersed all over the state in internal security duties It may be noted that the Kashmir State Forces consisted of nine infantry battalions out of which had the communal ratio of 22 2 % Muslim 5 5 % Sikh and 55 55 % Dogra *India, Pakistan and the Secret Jihad* ,2007 **Birth of a Tragedy** Alastair Lamb,1994 Kashmir, 1947 Prem Shankar Jha,1996 This book is an exhaustive and careful documentation of the accession of Kashmir in 1947 It is based on declassified papers correspondence and reports that have become available in recent years Kashmir 1947 provides a virtually day to day account of the critical times when the fate of Kashmir was decided in the context of Britain s geo political compulsions and strategies Over the years two completely different versions of Kashmir s accession to India have come into being The author critically examines both versions using the recently declassified Transfer of Power Documents as well as personal accounts of the main participants in the events of that period This helps him to reconstruct the two years which culminated in Kashmir s accession to India Jha s book will interest all Kashmir watchers including historians and policy makers in the subcontinent journalists students of international relations and general readers **Incomplete Partition** Alastair Lamb,2002 Fifty years on the Kashmir dispute between India and Pakistan seems to be no nearer solution than it was in 1947 when the British Indian Empire ended with the partition of the Indian subcontinent Alastair Lamb argues on the basis of research into a great deal of archival and other documentary material that in many ways the Kashmir question was a direct product of the process of partition which in important respects was never completed and any serious attempt at its resolution will inevitably involve a conscious effort to complete that process This book adds a detailed study of the treatment of the Kashmir issue by the United Nations during the course of the year 19348 A concluding chapter considers the events of 1947 and 1948 in the light of the current situation and explores the possibilities for some kind of settlement of the dispute which has so profoundly disrupted relations between India and Pakistan for virtually the whole of their lives as sovereign states **Thunder Over Kashmir** Maurice Cohen,1955 **An Incredible War** Bharat Kumar,2007 *In the Nick of Time* Ajay K. Raina SM,2020-07-26 Christopher Snedden Victoria Schofield Lt Gen L P Sen wrote about a war that happened seven decades ago And here comes a refresher that is crisp riveting and has maps and sketches not found in any of the illustrated works on the war of 1947 48 And interestingly the work sets many records and assumptions straight The situation in Kashmir Valley on 27 October 1947 had got out of hand and the administration had collapsed The raiders numbering in thousands had reached Baramulla in the morning and but for a rag tag force of handful remnants of State forces nothing stood between the fanatics and the helpless population of Kashmir By then much of Western Kashmir had already been plundered And it was the day of Eid And suddenly as if as a response to the prayers of the locals angels started to touch down at the airfield just outside the city of Srinagar

Within next few hours a small force of braves had made contact with the enemy at Baramulla itself Had there been any delay even of a few hours Srinagar airfield the only link with the outside world would have been lost Yes it had happened just in the nick of time and Kashmir got saved Read on [Conflict Unending](#) Sumit Ganguly,2001 Ganguly authoritatively analyzes why hostility persists as well as the current prospects for war and peace in the region [Slender was the Thread](#) L. P. Sen,1994 The Kashmir Confrontation Of 1947 8 Is Not Only A Vital Event By Itself But With It Begins The Military History Proper Of Independent India That Unforgettable Story Is Told Here With A Weath Of Detail Matched By Depth Of Perception [Slender was the Thread: Kashmir Confrontation, 1947-1948](#) Lionel Protip Sen,1969
