Primarily intended for grades 5 to 9 this is a list of reading suggestions for the young adult who wants a great read but does not want to be offended. Grades 5-9 **The Book of One Hundred Truths** Julie Schumacher,2008-03-11 I should probably mention something right now before this story goes any further my name is Theodora Grumman and I am a liar. It's hard for Thea to write four truths a day in the notebook her mother gave her for the summer. Especially when her grandparents' house on the Jersey Shore is even more

packed with family than usual and her cousin Jocelyn won't leave her alone. Jocelyn just might be the world's neatest and nosiest seven-year-old and she wants to know what's in Thea's notebook. But Thea won't tell anyone about the secret she has promised to keep or how she lost her best friend Truth 12 whose name was Gwen. Now Thea has to babysit in the afternoons and all Jocelyn wants to do is spy on people. Neither of them expects to see Aunt Ellen and Aunt Celia at the boardwalk in the middle of the day or for their aunts to lie and insist they were at work. Could it be Thea's not the only one in the family keeping secrets this summer?

Books That Teach

Kids to Write Marianne Saccardi, 2011-05-05 This book provides a wealth of read-aloud titles and related activities that provide busy teachers with the tools to help students in grades K-12 become successful writers. Teachers can always benefit from new techniques that allow them to teach writing in a more engaging and enjoyable manner and a resource that identifies a plethora of excellent children's books that help students become successful writers would also be helpful. **Books That Teach Kids to Write** introduces busy educators to the finest in children's literature in all genres appropriate for readers in grades K through 12 and provides effective ideas for using those books to stimulate and improve student writing. This book discusses language use and other critical components of good writing, showcasing the children's books and specific activities that can help both primary and secondary school students. Included reproducibles for the writing exercises make lesson planning simple, while the sheer number of titles discussed and the extensive bibliographies provided minimize the time teachers must spend researching books to use with their students. An appendix includes more writing instruction resources such as children's books, websites, and professional texts.
