

WORLD WATER DAY

READING COMPREHENSION

Read the following text and answer the questions below.

Every year on March 22nd, we celebrate World Water Day. This special day reminds us how important water is for all living things on Earth. Water is essential for us to live. We use water to drink, cook, clean, and grow food. World Water Day helps us remember to use water wisely. We can save water by turning off the tap when we brush our teeth, taking shorter showers, and fixing leaky faucets. Water is also important for animals and plants. Rivers, lakes, and oceans are homes for many animals. Plants need water to grow. On World Water Day, we learn about ways to protect water. We can help keep our water clean by not littering and by picking up trash near rivers and lakes. Let's celebrate World Water Day by learning how to save water and keep it clean!
